Sec. 5. (a) This Act applies to all positions under the Board which require at least a bachelor's degree in an appropriate field, and in addition—

- (1) involve classroom or other instruction or the supervision and direction of classroom and other instructional activities; or
- (2) involve activities, other than teaching, which require the incumbents to possess academic credits in educational theory and

practice at least equivalent to those required of a teacher with a bachelor's degree; or

(3) involve activities which are so directly related to the educational process that the positions have characteristics of the educational field to a marked degree, even though academic credits in educational theory and practice are not required; or

(4) involve the management or direction or organizational units or school services which, though not directly involved in the educational process, require the incumbent to deal so extensively with employees who are directly involved in the educational process on problems that require an understanding of the aims, methods and points of view of educators and educational philosophy, that it becomes impractical, insofar as salary treatment is concerned, to attempt to distinguish between them and positions covered under paragraphs (1), (2), or (3) of this subsection. This paragraph (4) shall apply only to such positions as are necessary to coordinate such noneducational units or services with the educational activities of the school system.

Authority of Board to determine positions, etc.

(b) The Board, with the concurrence of the Board of Commissioners of the District of Columbia, is authorized to determine which positions meet the criteria specified in subsection (a) of this section and to establish or transfer positions covered under other wage or salary fixing acts or authorities to the coverage of this Act. Similarly, the Board, with the concurrence of the said Board of Commissioners, is authorized to determine that positions covered under this Act do not meet the criteria specified in subsection (a) of this section and to remove any such position from the coverage of this Act: *Provided*, That any employee occupying any position covered by this Act on the effective date of this Act, but which is later determined not to meet the criteria specified in subsection (a) of this section, shall continue to be entitled to the salary and other benefits of this Act as long as he remains in such position. The Board, subject to the concurrence of the said Board of Commissioners, is authorized to specify for any position to be brought under this Act, the class and group as established in this Act which shall apply to such position: *Provided*, That such class shall be selected on the basis of the difficulty, responsibility, and qualification requirements of such position. Positions brought under this Act in accordance with this section shall be subject to the provisions of this Act to the same degree and in all respects as if such positions were specifically named in this Act. The Board is authorized to conduct such studies as are required to apply the criteria specified in subsection (a) of this section.

#### TITLE IV—METHOD OF ADVANCEMENT AND PROMOTION OF EMPLOYEES

Assignment to numerical service step.

D. C. Code 31-659 note.

SEC. 6. On July 1, 1955, each permanent employee assigned to a salary class in accordance with section 4 and section 5 of this Act shall be assigned to the numerical service step on the schedule for his class, or class and group, under this Act next above the numerical service step occupied by him on June 30, 1955, under the provisions of the Salary Act of 1947 and each such employee shall advance one numerical service step each year thereafter until he reaches the highest step provided on the schedule for his class, or class and group, except that each employee under this Act who was on a service step under the Salary Act of 1947 which was numerically as high or higher than the top step provided for the salary class, or class and group, to which he is assigned under section 1 of this Act shall be assigned on July 1, 1955, to the highest step provided for his salary class, or class

and group, under section 1 of this Act. The Superintendent of Schools, salary class 1, shall be assigned on July 1, 1955, to the salary provided for that position in section 1 of this Act. Any permanent employee serving in a position not covered by the Salary Act of 1947 but which may be later established under section 5 of this Act shall be given service credit for the purpose of salary placement under this Act equivalent to the number of years of satisfactory service rendered within the school system in the position then occupied by such employee and shall be assigned to the numerical service step on the schedule for his class, or class and group, under this Act next above the numerical service step corresponding to his years of service under his previous classification. If such employee is on a service step in his previous classification which is numerically as high or higher than the top service step provided for his salary class, or class and group, under this Act, he shall be assigned to the highest service step provided for his salary class, or class and group, under this Act. Each employee transferred and assigned to salary class 18 under this Act, and on permanent tenure on July 1, 1955, who on June 30, 1947, was a permanent employee of the Board of Education in either group B or group D of salary classes 1-8, inclusive, in the District of Columbia Teachers' Salary Act of 1945, as amended, shall be placed one service step higher than he would otherwise be entitled to under the provisions of this section except that in no case shall his salary be higher than the maximum salary provided for his class and group.

SEC. 7. The Board, on the written recommendation of the Superintendent of Schools, is authorized to evaluate the previous experience of each new appointee to determine the number of years with which he may be credited for the purpose of salary placement. Credit for service rendered either inside or outside of public schools of the District of Columbia shall be effective on the date of the regular Board meeting immediately preceding the date of approval by the Board or on the date of appointment, whichever is later. Such credit shall apply to all positions in salary classes 18 and 19, and to the positions of chief librarian and assistant professor, salary class 14; and to the position of associate professor, salary class 11; and to the position of professor, salary class 8. Such placement credit shall not be granted in excess of five years.

(b) In crediting previous experience of any teacher who has been absent from his duties because of naval or military service in the armed forces of the United States or its allies, the Board is hereby authorized to include such naval or military service as the equivalent of approved experience.

(c) No provision in this Act shall be interpreted as preventing any teacher, school officer, or other employee of the Board who has been granted leave to enter the armed forces of the United States or its allies from receiving any annual service increment or increments to which he would have been entitled had he remained continuously in the service of the public schools.

Leave to enter

Termination of probation by Board.

(c) The Board is authorized to terminate the services of any probationary employee in the class to which appointed, upon the written recommendation of the Superintendent of Schools, at any time during the two year probationary period: *Provided*, That if an employee so terminated has permanent status within the school system he shall be returned to the salary class he last occupied on permanent status, and placed on the step which would have been occupied by him.

Such appointments shall be for periods not to extend beyond June 30 of the fiscal year in which the appointments are made and the Board is authorized to terminate the appointment of any temporary employee at any time upon the written recommendation of the Superintendent of Schools. Each temporary employee shall be assigned to a numerical service step and receive an annual rate of compensation in accordance with section 7, but he shall receive no annual service increments and may be credited with not more than five years of service either inside or outside the public schools of the District of Columbia for the purpose of salary placement.
