The number of visits to be charged for purposes of the limitation in the preceding sentence, in connection with items or services described in section 1861(m), shall be determined in accordance with regulations.

“(e) For purposes of subsections (b), (c), and (d), inpatient hospital services, inpatient psychiatric hospital services, post-hospital extended care services, and post-hospital home health services shall be taken into account only if payment is or would be, except for this section or the failure to comply with the request and certification requirements of or under section 1814(a), made with respect to such services under this part.

“SEC. 1813. (a) (1) The amount payable for inpatient hospital services furnished an individual during any spell of illness shall be reduced by a deduction equal to the inpatient hospital deductible or, if less, the charges imposed with respect to such individual for such services, except that, if the customary charges for such services are greater than the charges so imposed, such customary charges shall be considered to be the charges so imposed. Such amount shall be further reduced by a coinsurance amount equal to one-fourth of the

inpatient hospital deductible for each day (before the 91st day) on which such individual is furnished such services during such spell of illness after such services have been furnished to him for 60 days during such spell.

"(2) The amount payable for outpatient hospital diagnostic services furnished an individual during a diagnostic study shall be reduced by a deduction equal to the sum of (A) one-half of the inpatient hospital deductible which is applicable to spells of illness beginning in the same calendar year as such diagnostic study and (B) 20 per centum of the remainder of such amount. For purposes of the preceding sentence, a diagnostic study for any individual consists of the outpatient hospital diagnostic services provided by (or under arrangements made by) the same hospital during the 20-day period beginning on the first day (not included in a previous diagnostic study) on which he is entitled to hospital insurance benefits under section 226 and on which outpatient hospital diagnostic services are furnished him.

"(2) The Secretary shall, between July 1 and October 1 of 1968, and of each year thereafter, determine and promulgate the inpatient hospital deductible which shall be applicable for the purposes of subsection (a) in the case of any spell of illness or diagnostic study beginning during the succeeding calendar year. Such inpatient hospital deductible shall be equal to \$40 multiplied by the ratio of (A) the current average per diem rate for inpatient hospital services for the calendar year preceding the promulgation, to (B) the current average per diem rate for such services for 1966. Any amount determined under the preceding sentence which is not a multiple of \$4 shall be rounded to the nearest multiple of \$4 (or, if it is midway between two multiples of \$4, to the next higher multiple of \$4). The current average per diem rate for any year shall be determined by the Secretary on the basis of the best information available to him (at the time the determination is made) as to the amounts paid under this part on account of inpatient hospital services furnished during such year, by hospitals which have agreements in effect under section 1866, to individuals who are entitled to hospital insurance benefits under section 226, plus the amount which would have been so paid but for subsection (a)(1) of this section.

“(2) a physician certifies (and recertifies, where such services are furnished over a period of time, in such cases, with such frequency, and accompanied by such supporting material, appropriate to the case involved, as may be provided by regulations, except that the first of such recertifications shall be required in each case of inpatient hospital services not later than the 20th day of such period) that—

“(A) in the case of inpatient hospital services (other than inpatient psychiatric hospital services and inpatient tuberculosis hospital services), such services are or were required to be given on an inpatient basis for such individual’s medical treatment, or that inpatient diagnostic study is or was medically required and such services are or were necessary for such purpose;

“(B) in the case of inpatient psychiatric hospital services, such services are or were required to be given on an inpatient basis, by or under the supervision of a physician, for the psychiatric treatment of an individual; and (i) such treatment can or could reasonably be expected to improve the condition for which such treatment is or was necessary or (ii) inpatient diagnostic study is or was medically required and such services are or were necessary for such purposes;

“(C) in the case of inpatient tuberculosis hospital services, such services are or were required to be given on an inpatient basis, by or under the supervision of a physician, for the treatment of an individual for tuberculosis; and such treatment can or could reasonably be expected to (i) improve the condition for which such treatment is or was necessary or (ii) render the condition noncommunicable;

“(D) in the case of post-hospital extended care services, such services are or were required to be given on an inpatient basis because the individual needs or needed skilled nursing care on a continuing basis for any of the conditions with respect to which he was receiving inpatient hospital services (or services which would constitute inpatient hospital services if the institution met the requirements of paragraphs (6) and (8) of section 1861(e)) prior to transfer to the extended care facility or for a condition requiring such extended care services which arose after such transfer and while he was still in the facility for treatment of the condition or conditions for which he was receiving such inpatient hospital services;

Post, p. 314.

“(E) in the case of post-hospital home health services, such services are or were required because the individual is or was confined to his home (except when receiving items and services referred to in section 1861(m)(7)) and needed skilled nursing care on an intermittent basis, or physical or speech therapy, for any of the conditions with respect to which he was receiving inpatient hospital services (or services which would constitute inpatient hospital services if the institution met the requirements of paragraphs (6) and (8) of section 1861(e)) or post-hospital extended care services; a plan for furnishing such services to such individual has been established and is periodically reviewed by a physician; and such services are or were furnished while the individual was under the care of a physician; or

Post, p. 319.

“(F) in the case of outpatient hospital diagnostic services, such services are or were required for diagnostic study;

“(3) in the case of inpatient psychiatric hospital services, the services are those which the records of the hospital indicate were furnished to the individual during periods when he was receiving (A) intensive treatment services, (B) admission and related services necessary for a diagnostic study, or (C) equivalent services;

“(4) in the case of inpatient tuberculosis hospital services, the services are those which the records of the hospital indicate were furnished to the individual during periods when he was receiving treatment which could reasonably be expected to (A) improve his condition or (B) render it noncommunicable;

“(5) with respect to inpatient hospital services furnished such individual after the 20th day of a continuous period of such services and with respect to post-hospital extended care services furnished after such day of a continuous period of such services as may be prescribed in or pursuant to regulations, there was not in effect, at the time of admission of such individual to the hospital or extended care facility, as the case may be, a decision under section 1866(d) (based on a finding that utilization review of long-stay cases is not being made in such hospital or facility); and

Post, p. 327.

“(6) with respect to inpatient hospital services or post-hospital extended care services furnished such individual during a continuous period, a finding has not been made (by the physician members of the committee or group, as described in section 1861(k)(4)) pursuant to the system of utilization review that further inpatient hospital services or further post-hospital extended care services, as the case may be, are not medically necessary; except that, if such a finding has been made, payment may be made for such services furnished before the 4th day after the day on which the hospital or extended care facility, as the case may be, received notice of such finding.

To the extent provided by regulations, the certification and recertification requirements of paragraph (2) shall be deemed satisfied where, at a later date, a physician makes certification of the kind provided in subparagraph (A), (B), (C), (D), (E), or (F) of paragraph (2)

(whichever would have applied), but only where such certification is accompanied by such medical and other evidence as may be required by such regulations.

“Reasonable Cost of Services

“(b) The amount paid to any provider of services with respect to services for which payment may be made under this part shall, subject to the provisions of section 1813, be the reasonable cost of such services, as determined under section 1861(v).

Ante, p. 292.

Post, p. 322.

“No Payments to Federal Providers of Services

“(c) No payment may be made under this part (except under subsection (d)) to any Federal provider of services, except a provider of services which the Secretary determines is providing services to the public generally as a community institution or agency; and no such payment may be made to any provider of services for any item or service which such provider is obligated by a law of, or a contract with, the United States to render at public expense.

“Payments for Emergency Hospital Services

“(d) Payments shall also be made to any hospital for inpatient hospital services or outpatient hospital diagnostic services furnished, by the hospital or under arrangements (as defined in section 1861(w)) with it, to an individual entitled to hospital insurance benefits under section 226 even though such hospital does not have an agreement in effect under this title if (A) such services were emergency services and (B) the Secretary would be required to make such payment if the hospital had such an agreement in effect and otherwise met the conditions of payment hereunder. Such payments shall be made only in the amounts provided under subsection (b) and then only if such hospital agrees to comply, with respect to the emergency services provided, with the provisions of section 1866(a).

Ante, p. 290.

Post, p. 327.

“Payment for Inpatient Hospital Services Prior to Notification of Noneligibility

“(e) Notwithstanding that an individual is not entitled to have payment made under this part for inpatient hospital services furnished by any hospital, payment shall be made to such hospital (unless it elects not to receive such payment or, if payment has already been made by or on behalf of such individual, fails to refund such payment within the time specified by the Secretary) for such services which are furnished to the individual prior to notification to such hospital from the Secretary of his lack of entitlement, if such payments are precluded only by reason of section 1812 and if such hospital complies with the requirements of and regulations under this title with respect to such payments, has acted in good faith and without knowledge of such lack of entitlement, and has acted reasonably in assuming entitlement existed. Payment under the preceding sentence may not be made for services furnished an individual pursuant to any admission after the 6th elapsed day (not including as an elapsed day Saturday, Sunday, or a legal holiday) after the day on which such admission occurred.

Ante, p. 291.

“Payment for Certain Emergency Hospital Services Furnished
Outside the United States

“(1) such individual was physically present in a place within the United States at the time the emergency which necessitated such inpatient hospital services occurred; and

“(2) such hospital was closer to, or substantially more accessible from, such place than the nearest hospital within the United States which was adequately equipped to deal with, and was available for the treatment of, such individual’s illness or injury.

“PAYMENT TO PROVIDERS OF SERVICES

“SEC. 1815. The Secretary shall periodically determine the amount which should be paid under this part to each provider of services with respect to the services furnished by it, and the provider of services shall be paid, at such time or times as the Secretary believes appropriate (but not less often than monthly) and prior to audit or settlement by the General Accounting Office, from the Federal Hospital Insurance Trust Fund, the amounts so determined, with necessary adjustments on account of previously made overpayments or underpayments; except that no such payments shall be made to any provider unless it has furnished such information as the Secretary may request in order to determine the amounts due such provider under this part for the period with respect to which the amounts are being paid or any prior period.

PAYMENT TO PROVIDERS OF SERVICES

“SEC. 1816. (a) If any group or association of providers of services wishes to have payments under this part to such providers made through a national, State, or other public or private agency or organization and nominates such agency or organization for this purpose, the Secretary is authorized to enter into an agreement with such agency or organization providing for the determination by such agency or organization (subject to such review by the Secretary as may be provided for by the agreement) of the amount of the payments required pursuant to this part to be made to such providers, and for the making of such payments by such agency or organization to such providers. Such agreement may also include provision for the agency or organization to do all or any part of the following: (1) to provide consultative services to institutions or agencies to enable them to establish and maintain fiscal records necessary for purposes of this part and otherwise to qualify as hospitals, extended care facilities, or home health agencies, and (2) with respect to the providers of services which are to receive payments through it (A) to serve as a center for, and communicate to providers, any information or instructions furnished to it by the Secretary, and serve as a channel of communication from providers to the Secretary; (B) to make such audits of the records of providers as may be necessary to insure that proper payments are made under this part; and (C) to perform such other functions as are necessary to carry out this subsection.

“(b) The Secretary shall not enter into an agreement with any agency or organization under this section unless (1) he finds (A) that to do so is consistent with the effective and efficient administration of this part, and (B) that such agency or organization is willing and able to assist the providers to which payments are made through it under this part in the application of safeguards against unnecessary utilization of services furnished by them to individuals entitled to hospital insurance benefits under section 226, and the agreement provides for such assistance, and (2) such agency or organization agrees to furnish to the Secretary such of the information acquired by it in carrying out its agreement under this section as the Secretary may find necessary in performing his functions under this part.

Ante, p. 290.

“(c) An agreement with any agency or organization under this section may contain such terms and conditions as the Secretary finds necessary or appropriate, may provide for advances of funds to the agency or organization for the making of payments by it under subsection (a), and shall provide for payment of so much of the cost of administration of the agency or organization as is determined by the Secretary to be necessary and proper for carrying out the functions covered by the agreement.

“(d) If the nomination of an agency or organization as provided in this section is made by a group or association of providers of services, it shall not be binding on members of the group or association which notify the Secretary of their election to that effect. Any provider may, upon such notice as may be specified in the agreement under this section with an agency or organization, withdraw its nomination to receive payments through such agency or organization. Any provider which has withdrawn its nomination, and any provider which has not made a nomination, may elect to receive payments from any agency or organization which has entered into an agreement with the Secretary under this section if the Secretary and such agency or organization agree to it.

“(e) An agreement with the Secretary under this section may be terminated—

“(1) by the agency or organization which entered into such agreement at such time and upon such notice to the Secretary, to the public, and to the providers as may be provided in regulations, or

“(2) by the Secretary at such time and upon such notice to the agency or organization, to the providers which have nominated it for purposes of this section, and to the public, as may be provided in regulations, but only if he finds, after reasonable notice and opportunity for hearing to the agency or organization, that (A) the agency or organization has failed substantially to carry out the agreement, or (B) the continuation of some or all of the functions provided for in the agreement with the agency or organization is disadvantageous or is inconsistent with the efficient administration of this part.

“(f) An agreement with an agency or organization under this section may require any of its officers or employees certifying payments or disbursing funds pursuant to the agreement, or otherwise participating in carrying out the agreement, to give surety bond to the United States in such amount as the Secretary may deem appropriate.

“(g) (1) No individual designated pursuant to an agreement under this section as a certifying officer shall, in the absence of gross negligence or intent to defraud the United States, be liable with respect to any payments certified by him under this section.

“(2) No disbursing officer shall, in the absence of gross negligence or intent to defraud the United States, be liable with respect to any payment by him under this section if it was based upon a voucher signed by a certifying officer designated as provided in paragraph (1) of this subsection.

“(3) No such agency or organization shall be liable to the United States for any payments referred to in paragraph (1) or (2).

Post, p. 394.

The amounts appropriated by the preceding sentence shall be transferred from time to time from the general fund in the Treasury to the Trust Fund, such amounts to be determined on the basis of estimates by the Secretary of the Treasury of the taxes, specified in the preceding sentence, paid to or deposited into the Treasury; and proper adjustments shall be made in amounts subsequently transferred to the extent prior estimates were in excess of or were less than the taxes specified in such sentence.

“(b) With respect to the Trust Fund, there is hereby created a body to be known as the Board of Trustees of the Trust Fund (hereinafter in this section referred to as the ‘Board of Trustees’) composed of the Secretary of the Treasury, the Secretary of Labor, and the Secretary of Health, Education, and Welfare, all *ex officio*. The Secretary of the Treasury shall be the Managing Trustee of the Board of Trustees (hereinafter in this section referred to as the

Board of Trustees.

Reports to Congress.

'Managing Trustee'). The Commissioner of Social Security shall serve as the Secretary of the Board of Trustees. The Board of Trustees shall meet not less frequently than once each calendar year. It shall be the duty of the Board of Trustees to—

"(1) Hold the Trust Fund;

The report provided for in paragraph (2) shall include a statement of the assets of, and the disbursements made from, the Trust Fund during the preceding fiscal year, an estimate of the expected income to, and disbursements to be made from, the Trust Fund during the current fiscal year and each of the next 2 fiscal years, and a statement of the actuarial status of the Trust Fund. Such report shall be printed as a House document of the session of the Congress to which the report is made.

"(c) It shall be the duty of the Managing Trustee to invest such portion of the Trust Fund as is not, in his judgment, required to meet current withdrawals. Such investments may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under the Second Liberty Bond Act, as amended, are hereby extended to authorize the issuance at par of public-debt obligations for purchase by the Trust Fund. Such obligations issued for purchase by the Trust Fund shall have maturities fixed with due regard for the needs of the Trust Fund and shall bear interest at a rate equal to the average market yield (computed by the Managing Trustee on the basis of market quotations as of the end of the calendar month next preceding the date of such issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of 4 years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest on such obligations shall be the multiple of one-eighth of 1 per centum nearest such market yield. The Managing Trustee may purchase other interest-bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price, only where he determines that the purchase of such other obligations is in the public interest.

"(d) Any obligations acquired by the Trust Fund (except public-debt obligations issued exclusively to the Trust Fund) may be sold by the Managing Trustee at the market price, and such public-debt obligations may be redeemed at par plus accrued interest.

“(e) The interest on, and the proceeds from the sale or redemption of, any obligations held in the Trust Fund shall be credited to and form a part of the Trust Fund.

“(f) (1) The Managing Trustee is directed to pay from time to time from the Trust Fund into the Treasury the amount estimated by him as taxes imposed under section 3101(b) which are subject to refund under section 6413(c) of the Internal Revenue Code of 1954 with respect to wages paid after December 31, 1965. Such taxes shall be determined on the basis of the records of wages established and maintained by the Secretary of Health, Education, and Welfare in accordance with the wages reported to the Secretary of the Treasury or his delegate pursuant to subtitle F of the Internal Revenue Code of 1954, and the Secretary of Health, Education, and Welfare shall furnish the Managing Trustee such information as may be required by the Managing Trustee for such purpose. The payments by the Managing Trustee shall be covered into the Treasury as repayments to the account for refunding internal revenue collections.

“(g) There shall be transferred periodically (but not less often than once each fiscal year) to the Trust Fund from the Federal Old-Age and Survivors Insurance Trust Fund and from the Federal Disability Insurance Trust Fund amounts equivalent to the amounts not previously so transferred which the Secretary of Health, Education, and Welfare shall have certified as overpayments (other than amounts so certified to the Railroad Retirement Board) pursuant to section 1870(b) of this Act. “ENROLLMENT PERIODS

“SEC. 1837. (a) An individual may enroll in the insurance program established by this part only in such manner and form as may be prescribed by regulations, and only during an enrollment period prescribed in or under this section.

“(2) An individual whose enrollment under this part has terminated may not enroll for the second time under this part unless he does so in a general enrollment period (as provided in subsection (e)) which begins within 3 years after the effective date of such termination. No individual may enroll under this part more than twice.

“(c) In the case of individuals who first satisfy paragraphs (1) and (2) of section 1836 before January 1, 1966, the initial general enrollment period shall begin on the first day of the second month which begins after the date of enactment of this title and shall end on March 31, 1966. For purposes of this subsection and subsection (d), an individual who satisfies paragraph (2) of section 1836 solely by reason of subparagraph (B) thereof shall be treated as satisfying such paragraph (2) on the first day on which he is (or on filing application would be) entitled to hospital insurance benefits under part A.

“(d) In the case of an individual who first satisfies paragraphs (1) and (2) of section 1836 on or after January 1, 1966, his initial enroll-

The termination of a coverage period under paragraph (1) shall take effect at the close of December 31 of the year in which the notice is filed. The termination of a coverage period under paragraph (2) shall take effect on a date determined under regulations, which may be determined so as to provide a grace period (not in excess of 90 days) in which overdue premiums may be paid and coverage continued.

"(2) The Secretary shall, between July 1 and October 1 of 1967 and of each odd-numbered year thereafter, determine and promulgate the dollar amount which shall be applicable for premiums for months occurring in either of the two succeeding calendar years. Such dollar amount shall be such amount as the Secretary estimates to be necessary so that the aggregate premiums for such two succeeding calendar years will equal one-half of the total of the benefits and administrative costs which he estimates will be payable from the Federal Supplementary Medical Insurance Trust Fund for such two succeeding calendar years. In estimating aggregate benefits payable for any period, the Secretary shall include an appropriate amount for a contingency margin.

Post, p. 308.

"(c) In the case of an individual whose coverage period began pursuant to an enrollment after his initial enrollment period (determined pursuant to subsection (c) or (d) of section 1837), the monthly premium determined under subsection (b) shall be increased by 10 percent of the monthly premium so determined for each full 12 months in which he could have been but was not enrolled. For purposes of the preceding sentence, there shall be taken into account (1) the months which elapsed between the close of his initial enrollment period and the close of the enrollment period in which he enrolled, plus (in the case of an individual who enrolls for a second time) (2) the months which elapsed between the date of the termination of his first coverage period and the close of the enrollment period in which he enrolled for the second time.

"(d) If any monthly premium determined under the foregoing provisions of this section is not a multiple of 10 cents, such premium shall be rounded to the nearest multiple of 10 cents.

"SEC. 1840. (a) (1) In the case of an individual who is entitled to monthly benefits under section 202, his monthly premiums under this part shall (except as provided in subsection (d)) be collected by deducting the amount thereof from the amount of such monthly benefits. In the case of an individual who becomes entitled both to such benefits and such an annuity or pension after he enrolls under this part, subsection (a) shall apply if the first month for which he was entitled to such benefits was the same as or earlier than the first month for which he was entitled to such annuity or pension, and otherwise subsection (b) shall apply.

“(d) If an individual to whom subsection (a) or (b) applies estimates that the amount which will be available for deduction under such subsection for any premium payment period will be less than the amount of the monthly premiums for such period, he may (under regulations) pay to the Secretary such portion of the monthly premiums for such period as he desires.

“(e) (1) In the case of an individual receiving an annuity under the Civil Service Retirement Act, or other Act administered by the Civil Service Commission providing retirement or survivorship protection, to whom neither subsection (a) nor subsection (b) applies, his monthly premiums under this part (and the monthly premiums of the spouse of such individual under this part if neither subsection (a) nor subsection (b) applies to such spouse and if such individual agrees) shall, upon notice from the Secretary of Health, Education, and Welfare to the Civil Service Commission, be collected by deducting the amount thereof from each installment of such annuity. Such deduction shall be made in such manner and at such times as the Civil Service Commission may determine. The Civil Service Commission shall furnish such information as the Secretary of Health, Education, and Welfare may reasonably request in order to carry out his functions under this part with respect to individuals to whom this subsection applies.

The report provided for in paragraph (2) shall include a statement of the assets of, and the disbursements made from, the Trust Fund during the preceding fiscal year, an estimate of the expected income to, and disbursements to be made from, the Trust Fund during the current fiscal year and each of the next 2 fiscal years, and a statement of the actuarial status of the Trust Fund. Such report shall be printed as a House document of the session of the Congress to which the report is made.

Investment of Fund monies.

“(c) It shall be the duty of the Managing Trustee to invest such portion of the Trust Fund as is not, in his judgment, required to meet current withdrawals. Such investments may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under the Second Liberty Bond Act, as amended, are hereby extended to authorize the issuance at par of public-debt obligations for purchase by the Trust Fund. Such obligations issued for purchase by the Trust Fund shall have matu-

rities fixed with due regard for the needs of the Trust Fund and shall bear interest at a rate equal to the average market yield (computed by the Managing Trustee on the basis of market quotations as of the end of the calendar month next preceding the date of such issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of 4 years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest on such obligations shall be the multiple of one-eighth of 1 per centum nearest such market yield. The Managing Trustee may purchase other interest-bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price, only where he determines that the purchase of such other obligations is in the public interest.

“(d) Any obligations acquired by the Trust Fund (except public-debt obligations issued exclusively to the Trust Fund) may be sold by the Managing Trustee at the market price, and such public-debt obligations may be redeemed at par plus accrued interest.

“(e) The interest on, and the proceeds from the sale or redemption of, any obligations held in the Trust Fund shall be credited to and form a part of the Trust Fund.

“(f) There shall be transferred periodically (but not less often than once each fiscal year) to the Trust Fund from the Federal Old-Age and Survivors Insurance Trust Fund and from the Federal Disability Insurance Trust Fund amounts equivalent to the amounts not previously so transferred which the Secretary of Health, Education, and Welfare shall have certified as overpayments (other than amounts so certified to the Railroad Retirement Board) pursuant to section 1870(b) of this Act. There shall be transferred periodically (but not less often than once each fiscal year) to the Trust Fund from the Railroad Retirement Account amounts equivalent to the amounts not previously so transferred which the Secretary of Health, Education, and Welfare shall have certified as overpayments to the Railroad Retirement Board pursuant to section 1870(b) of this Act.

Post, p. 331.

“(g) The Managing Trustee shall pay from time to time from the Trust Fund such amounts as the Secretary of Health, Education, and Welfare certifies are necessary to make the payments provided for by this part, and the payments with respect to administrative expenses in accordance with section 201(g)(1).

Post, p. 338.

“(h) The Managing Trustee shall pay from time to time from the Trust Fund such amounts as the Secretary of Health, Education, and Welfare certifies are necessary to pay the costs incurred by the Civil Service Commission in making deductions pursuant to section 1840(e). During each fiscal year, or after the close of such fiscal year, the Civil Service Commission shall certify to the Secretary the amount of the costs it incurred in making such deductions, and such certified amount shall be the basis for the amount of such costs certified by the Secretary to the Managing Trustee.

“USE OF CARRIERS FOR ADMINISTRATION OF BENEFITS

“SEC. 1842. (a) In order to provide for the administration of the benefits under this part with maximum efficiency and convenience for individuals entitled to benefits under this part and for providers of services and other persons furnishing services to such individuals, and with a view to furthering coordination of the administration of the

benefits under part A and under this part, the Secretary is authorized to enter into contracts with carriers, including carriers with which agreements under section 1816 are in effect, which will perform some or all of the following functions (or, to the extent provided in such contracts, will secure performance thereof by other organizations); and, with respect to any of the following functions which involve payments for physicians' services, the Secretary shall to the extent possible enter into such contracts:

"(1) (A) make determinations of the rates and amounts of payments required pursuant to this part to be made to providers of services and other persons on a reasonable cost or reasonable charge basis (as may be applicable);

"(B) receive, disburse, and account for funds in making such payments; and

"(C) make such audits of the records of providers of services as may be necessary to assure that proper payments are made under this part;

"(2) (A) determine compliance with the requirements of section 1861(k) as to utilization review; and

"(B) assist providers of services and other persons who furnish services for which payment may be made under this part in the development of procedures relating to utilization practices, make studies of the effectiveness of such procedures and methods for their improvement, assist in the application of safeguards against unnecessary utilization of services furnished by providers of services and other persons to individuals entitled to benefits under this part, and provide procedures for and assist in arranging, where necessary, the establishment of groups outside hospitals (meeting the requirements of section 1861(k)(2)) to make reviews of utilization;

"(3) serve as a channel of communication of information relating to the administration of this part; and

"(4) otherwise assist, in such manner as the contract may provide, in discharging administrative duties necessary to carry out the purposes of this part.

"(b) (1) Contracts with carriers under subsection (a) may be entered into without regard to section 3709 of the Revised Statutes or any other provision of law requiring competitive bidding.

"(2) No such contract shall be entered into with any carrier unless the Secretary finds that such carrier will perform its obligations under the contract efficiently and effectively and will meet such requirements as to financial responsibility, legal authority, and other matters as he finds pertinent.

"(3) Each such contract shall provide that the carrier—

"(A) will take such action as may be necessary to assure that, where payment under this part for a service is on a cost basis, the cost is reasonable cost (as determined under section 1861(v));

"(B) will take such action as may be necessary to assure that, where payment under this part for a service is on a charge basis, (i) such charge will be reasonable and not higher than the charge applicable, for a comparable service and under comparable circumstances, to the policyholders and subscribers of the carrier, and (ii) such payment will be made on the basis of a receipted bill, or on the basis of an assignment under the terms of which the reasonable charge is the full charge for the service;

"(C) will establish and maintain procedures pursuant to which an individual enrolled under this part will be granted an oppor-

“(D) will furnish to the Secretary such timely information and reports as he may find necessary in performing his functions under this part; and

“(E) will maintain such records and afford such access thereto as the Secretary finds necessary to assure the correctness and verification of the information and reports under subparagraph (D) and otherwise to carry out the purposes of this part;

and shall contain such other terms and conditions not inconsistent with this section as the Secretary may find necessary or appropriate. In determining the reasonable charge for services for purposes of this paragraph, there shall be taken into consideration the customary charges for similar services generally made by the physician or other person furnishing such services, as well as the prevailing charges in the locality for similar services.

“(4) Each contract under this section shall be for a term of at least one year, and may be made automatically renewable from term to term in the absence of notice by either party of intention to terminate at the end of the current term; except that the Secretary may terminate any such contract at any time (after such reasonable notice and opportunity for hearing to the carrier involved as he may provide in regulations) if he finds that the carrier has failed substantially to carry out the contract or is carrying out the contract in a manner inconsistent with the efficient and effective administration of the insurance program established by this part.

“(c) Any contract entered into with a carrier under this section shall provide for advances of funds to the carrier for the making of payments by it under this part, and shall provide for payment of the cost of administration of the carrier, as determined by the Secretary to be necessary and proper for carrying out the functions covered by the contract.

“(d) Any contract with a carrier under this section may require such carrier or any of its officers or employees certifying payments or disbursing funds pursuant to the contract, or otherwise participating in carrying out the contract, to give surety bond to the United States in such amount as the Secretary may deem appropriate.

“(e) (1) No individual designated pursuant to a contract under this section as a certifying officer shall, in the absence of gross negligence or intent to defraud the United States, be liable with respect to any payments certified by him under this section.

“(2) No disbursing officer shall, in the absence of gross negligence or intent to defraud the United States, be liable with respect to any payment by him under this section if it was based upon a voucher signed by a certifying officer designated as provided in paragraph (1) of this subsection.

“(3) No such carrier shall be liable to the United States for any payments referred to in paragraph (1) or (2).

“(f) For purposes of this part, the term ‘carrier’ means—

group arrangements, in consideration of premiums or other periodic charges payable to the carrier, including a health benefits plan duly sponsored or underwritten by an employee organization; and

“(2) with respect to providers of services only, any agency or organization (not described in paragraph (1)) with which an agreement is in effect under section 1816.

“(k) A utilization review plan of a hospital or extended care facility shall be considered sufficient if it is applicable to services furnished by the institution to individuals entitled to insurance benefits under this title and if it provides—

“(1) for the review, on a sample or other basis, of admissions to the institution, the duration of stays therein, and the professional services (including drugs and biologicals) furnished, (A) with respect to the medical necessity of the services, and (B) for the purpose of promoting the most efficient use of available health facilities and services;

“(2) for such review to be made by either (A) a staff committee of the institution composed of two or more physicians, with or without participation of other professional personnel, or (B) a group outside the institution which is similarly composed and (i) which is established by the local medical society and some or all of the hospitals and extended care facilities in the locality, or (ii) if (and for as long as) there has not been established such a group which serves such institution, which is established in such other manner as may be approved by the Secretary;

“(3) for such review, in each case of inpatient hospital services or extended care services furnished to such an individual during a continuous period of extended duration, as of such days of such period (which may differ for different classes of cases) as may be specified in regulations, with such review to be made as promptly as possible, after each day so specified, and in no event later than one week following such day; and

“(4) for prompt notification to the institution, the individual, and his attending physician of any finding (made after opportunity for consultation to such attending physician) by the physician members of such committee or group that any further stay in the institution is not medically necessary.

The review committee must be composed as provided in clause (B) of paragraph (2) rather than as provided in clause (A) of such paragraph in the case of any hospital or extended care facility where, because of the small size of the institution, or (in the case of an

extended care facility) because of lack of an organized medical staff, or for such other reason or reasons as may be included in regulations, it is impracticable for the institution to have a properly functioning staff committee for the purposes of this subsection.

“Agreements for Transfer Between Extended Care Facilities and Hospitals

“(1) A hospital and an extended care facility shall be considered to have a transfer agreement in effect if, by reason of a written agreement between them or (in case the two institutions are under common control) by reason of a written undertaking by the person or body which controls them, there is reasonable assurance that—

“(1) transfer of patients will be effected between the hospital and the extended care facility whenever such transfer is medically appropriate as determined by the attending physician; and

“(2) there will be interchange of medical and other information necessary or useful in the care and treatment of individuals transferred between the institutions, or in determining whether such individuals can be adequately cared for otherwise than in either of such institutions.

Any extended care facility which does not have such an agreement in effect, but which is found by a State agency (of the State in which such facility is situated) with which an agreement under section 1864 is in effect (or, in the case of a State in which no such agency has an agreement under section 1864, by the Secretary) to have attempted in good faith to enter into such an agreement with a hospital sufficiently close to the facility to make feasible the transfer between them of patients and the information referred to in paragraph (2), shall be considered to have such an agreement in effect if and for so long as such agency (or the Secretary, as the case may be) finds that to do so is in the public interest and essential to assuring extended care services for persons in the community who are eligible for payments with respect to such services under this title.

Post, p. 326.

“(3) medical social services under the direction of a physician;

“(7) any of the foregoing items and services which are provided on an outpatient basis, under arrangements made by the home health agency, at a hospital or extended care facility, or at a rehabilitation center which meets such standards as may be prescribed in regulations, and—

“(A) the furnishing of which involves the use of equipment of such a nature that the items and services cannot readily be made available to the individual in such place of residence, or

“(B) which are furnished at such facility while he is there to receive any such item or service described in clause (A), but not including transportation of the individual in connection with any such item or service; excluding, however, any item or service if it would not be included under subsection (b) if furnished to an inpatient of a hospital.

“Post-Hospital Home Health Services

“(n) The term ‘post-hospital home health services’ means home health services furnished an individual within one year after his most recent discharge from a hospital of which he was an inpatient for not less than 3 consecutive days or (if later) within one year after his most recent discharge from an extended care facility of which he was an inpatient entitled to payment under part A for post-hospital extended care services, but only if the plan covering the home health services (as described in subsection (m)) is established within 14 days after his discharge from such hospital or extended care facility.

“Home Health Agency

“(o) The term ‘home health agency’ means a public agency or private organization, or a subdivision of such an agency or organization, which—

“Provider of Services

“(u) The term ‘provider of services’ means a hospital, extended care facility, or home health agency.

“Reasonable Cost

“(v) (1) The reasonable cost of any services shall be determined in accordance with regulations establishing the method or methods to be used, and the items to be included, in determining such costs for various types or classes of institutions, agencies, and services; except that in any case to which paragraph (2) or (3) applies, the amount of the payment determined under such paragraph with respect to the services involved shall be considered the reasonable cost of such services. In prescribing the regulations referred to in the preceding

sentence, the Secretary shall consider, among other things, the principles generally applied by national organizations or established prepayment organizations (which have developed such principles) in computing the amount of payment, to be made by persons other than the recipients of services, to providers of services on account of services furnished to such recipients by such providers. Such regulations may provide for determination of the costs of services on a per diem, per unit, per capita, or other basis, may provide for using different methods in different circumstances, may provide for the use of estimates of costs of particular items or services, and may provide for the use of charges or a percentage of charges where this method reasonably reflects the costs. Such regulations shall (A) take into account both direct and indirect costs of providers of services in order that, under the methods of determining costs, the costs with respect to individuals covered by the insurance programs established by this title will not be borne by individuals not so covered, and the costs with respect to individuals not so covered will not be borne by such insurance programs, and (B) provide for the making of suitable retroactive corrective adjustments where, for a provider of services for any fiscal period, the aggregate reimbursement produced by the methods of determining costs proves to be either inadequate or excessive.

“(2)(A) If the bed and board furnished as part of inpatient hospital services (including inpatient tuberculosis hospital services and inpatient psychiatric hospital services) or post-hospital extended care services is in accommodations more expensive than semi-private accommodations, the amount taken into account for purposes of payment under this title with respect to such services may not exceed an amount equal to the reasonable cost of such services if furnished in such semi-private accommodations unless the more expensive accommodations were required for medical reasons.

“(B) Where a provider of services which has an agreement in effect under this title furnishes to an individual items or services which are in excess of or more expensive than the items or services with respect to which payment may be made under part A or part B, as the case may be, the Secretary shall take into account for purposes of payment to such provider of services only the equivalent of the reasonable cost of the items or services with respect to which such payment may be made.

Ante, pp. 291,
301.

“(3) If the bed and board furnished as part of inpatient hospital services (including inpatient tuberculosis hospital services and inpatient psychiatric hospital services) or post-hospital extended care services is in accommodations other than, but not more expensive than, semi-private accommodations and the use of such other accommodations rather than semi-private accommodations was neither at the request of the patient nor for a reason which the Secretary determines is consistent with the purposes of this title, the amount of the payment with respect to such bed and board under part A shall be the reasonable cost of such bed and board furnished in semi-private accommodations (determined pursuant to paragraph (1)) minus the difference between the charge customarily made by the hospital or extended care facility for bed and board in semi-private accommodations and the charge customarily made by it for bed and board in the accommodations furnished.

“(4) For purposes of this subsection, the term ‘semi-private accommodations’ means two-bed, three-bed, or four-bed accommodations.

“Semi-private accommodations.”

“Arrangements for Certain Services

“(w) The term ‘arrangements’ is limited to arrangements under which receipt of payment by the hospital, extended care facility, or home health agency (whether in its own right or as agent), with respect to services for which an individual is entitled to have payment made under this title, discharges the liability of such individual or any other person to pay for the services.

“State and United States

“(x) The terms ‘State’ and ‘United States’ have the meaning given to them by subsections (h) and (i), respectively, of section 210.

74 Stat. 937.
42 USC 410.

“Post-Hospital Extended Care in Christian Science Extended Care Facilities

“(y) (1) The term ‘extended care facility’ also includes a Christian Science sanatorium operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Massachusetts, but only (except for purposes of subsection (a) (2)) with respect to items and services ordinarily furnished by such an institution to inpatients, and payment may be made with respect to services provided by or in such an institution only to such extent and under such conditions, limitations, and requirements (in addition to or in lieu of the conditions, limitations, and requirements otherwise applicable) as may be provided in regulations.

“(2) Notwithstanding any other provision of this title, payment under part A may not be made for services furnished an individual in an extended care facility to which paragraph (1) applies unless such individual elects, in accordance with regulations, for a spell of illness to have such services treated as post-hospital extended care services for purposes of such part; and payment under part A may not be made for post-hospital extended care services—

“(A) furnished an individual during such spell of illness in an extended care facility to which paragraph (1) applies after—

“(i) such services have been furnished to him in such a facility for 30 days during such spell, or

“(ii) such services have been furnished to him during such spell in an extended care facility to which such paragraph does not apply; or

“(B) furnished an individual during such spell of illness in an extended care facility to which paragraph (1) does not apply after such services have been furnished to him during such spell in an extended care facility to which such paragraph applies.

“(3) The amount payable under part A for post-hospital extended care services furnished an individual during any spell of illness in an extended care facility to which paragraph (1) applies shall be reduced by a coinsurance amount equal to one-eighth of the inpatient hospital deductible for each day before the 31st day on which he is furnished such services in such a facility during such spell (and the reduction under this paragraph shall be in lieu of any reduction under section 1813(a) (4)).

Ante, p. 292.

“(4) For purposes of subsection (i), the determination of whether services furnished by or in an institution described in paragraph (1) constitute post-hospital extended care services shall be made in accordance with and subject to such conditions, limitations, and requirements as may be provided in regulations.

"EXCLUSIONS FROM COVERAGE

"SEC. 1862. (a) Notwithstanding any other provision of this title, no payment may be made under part A or part B for any expenses incurred for items or services—

Ante, pp. 291,
301.

"(1) which are not reasonable and necessary for the diagnosis or treatment of illness or injury or to improve the functioning of a malformed body member;

"(2) for which the individual furnished such items or services has no legal obligation to pay, and which no other person (by reason of such individual's membership in a prepayment plan or otherwise) has a legal obligation to provide or pay for;

"(3) which are paid for directly or indirectly by a governmental entity (other than under this Act and other than under a health benefits or insurance plan established for employees of such an entity), except in such cases as the Secretary may specify;

"(4) which are not provided within the United States (except for emergency inpatient hospital services furnished outside the United States under the conditions described in section 1814 (f));

Ante, p. 294.

"(5) which are required as a result of war, or of an act of war, occurring after the effective date of such individual's current coverage under such part;

"(6) which constitute personal comfort items;

"(7) where such expenses are for routine physical checkups, eyeglasses or eye examinations for the purpose of prescribing, fitting, or changing eyeglasses, hearing aids or examinations therefor, or immunizations;

"(8) where such expenses are for orthopedic shoes or other supportive devices for the feet;

"(9) where such expenses are for custodial care;

"(10) where such expenses are for cosmetic surgery or are incurred in connection therewith, except as required for the prompt repair of accidental injury or for improvement of the functioning of a malformed body member;

"(11) where such expenses constitute charges imposed by immediate relatives of such individual or members of his household; or

"(12) where such expenses are for services in connection with the care, treatment, filling, removal, or replacement of teeth or structures directly supporting teeth.

"(b) Payment under this title may not be made with respect to any item or service to the extent that payment has been made, or can reasonably be expected to be made (as determined in accordance with regulations), with respect to such item or service, under a workmen's compensation law or plan of the United States or a State. Any payment under this title with respect to any item or service shall be conditioned on reimbursement to the appropriate Trust Fund established by this title when notice or other information is received that payment for such item or service has been made under such a law or plan.

"CONSULTATION WITH STATE AGENCIES AND OTHER ORGANIZATIONS TO DEVELOP CONDITIONS OF PARTICIPATION FOR PROVIDERS OF SERVICES

"SEC. 1863. In carrying out his functions, relating to determination of conditions of participation by providers of services, under subsections (e) (8), (f) (4), (g) (4), (j) (10), and (o) (5) of section 1861, the Secretary shall consult with the Health Insurance Benefits Advisory Council established by section 1867, appropriate State agencies,

and recognized national listing or accrediting bodies, and may consult with appropriate local agencies. Such conditions prescribed under any of such subsections may be varied for different areas or different classes of institutions or agencies and may, at the request of a State, provide higher requirements for such State than for other States; except that, in the case of any State or political subdivision of a State which imposes higher requirements on institutions as a condition to the purchase of services (or of certain specified services) in such institutions under a State plan approved under title I, XVI, or XIX, the Secretary shall impose like requirements as a condition to the payment for services (or for the services specified by the State or subdivision) in such institutions in such State or subdivision.

42 USC 301,
1381, *Post*, p. 343.

“USE OF STATE AGENCIES TO DETERMINE COMPLIANCE BY PROVIDERS OF SERVICES WITH CONDITIONS OF PARTICIPATION

“SEC. 1864. (a) The Secretary shall make an agreement with any State which is able and willing to do so under which the services of the State health agency or other appropriate State agency (or the appropriate local agencies) will be utilized by him for the purpose of determining whether an institution therein is a hospital or extended care facility, or whether an agency therein is a home health agency, or whether a laboratory meets the requirements of paragraphs (10) and (11) of section 1861(s). To the extent that the Secretary finds it appropriate, an institution or agency which such a State (or local) agency certifies is a hospital, extended care facility, or home health agency (as those terms are defined in section 1861) may be treated as such by the Secretary. The Secretary may also, pursuant to agreement, utilize the services of State health agencies and other appropriate State agencies (and the appropriate local agencies) to do any one or more of the following: (1) to provide consultative services to institutions or agencies to assist them (A) to establish and maintain fiscal records necessary for purposes of this title, or otherwise to qualify as hospitals, extended care facilities, or home health agencies, or (B) to provide information which may be necessary to permit determination under this title as to whether payments are due and the amounts thereof, and (2) to provide consultative services to institutions, agencies, or organizations to assist in the establishment of utilization review procedures meeting the requirements of section 1861(k) and in evaluating their effectiveness.

Ante, p. 321.

“(b) The Secretary shall pay any such State, in advance or by way of reimbursement, as may be provided in the agreement with it (and may make adjustments in such payments on account of overpayments or underpayments previously made), for the reasonable cost of performing the functions specified in subsection (a), and for the Federal Hospital Insurance Trust Fund's fair share of the costs attributable to the planning and other efforts directed toward coordination of activities in carrying out its agreement and other activities related to the provision of services similar to those for which payment may be made under part A, or related to the facilities and personnel required for the provision of such services, or related to improving the quality of such services.

Ante, p. 299.

“EFFECT OF ACCREDITATION

“SEC. 1865. Except as provided in the second sentence of section 1863, an institution shall be deemed to meet the requirements of the numbered paragraphs of section 1861(e) (except paragraph (6) thereof) if such institution is accredited as a hospital by the Joint Commission on Accreditation of Hospitals. If such Commission, as

a condition for accreditation of a hospital, requires a utilization review plan or imposes another requirement which serves substantially the same purpose, the Secretary is authorized to find that all institutions so accredited by the Commission comply also with section 1861(e)(6). In addition, if the Secretary finds that accreditation of an institution or agency by the American Osteopathic Association or any other national accreditation body provides reasonable assurance that any or all of the conditions of section 1861(e), (j), or (o), as the case may be, are met, he may, to the extent he deems it appropriate, treat such institution or agency as meeting the condition or conditions with respect to which he made such finding.

“AGREEMENTS WITH PROVIDERS OF SERVICES

“SEC. 1866. (a) (1) Any provider of services shall be qualified to participate under this title and shall be eligible for payments under this title if it files with the Secretary an agreement—

“(A) not to charge, except as provided in paragraph (2), any individual or any other person for items or services for which such individual is entitled to have payment made under this title (or for which he would be so entitled if such provider of services had complied with the procedural and other requirements under or pursuant to this title or for which such provider is paid pursuant to the provisions of section 1814(e)), and

Ante, p. 296.

“(B) to make adequate provision for return (or other disposition, in accordance with regulations) of any moneys incorrectly collected from such individual or other person.

“(2) (A) A provider of services may charge such individual or other person (i) the amount of any deduction or coinsurance amount imposed pursuant to section 1813(a)(1), (a)(2), or (a)(4), section 1833(b), or section 1861(y)(3) with respect to such items and services (not in excess of the amount customarily charged for such items and services by such provider), and (ii) an amount equal to 20 per centum of the reasonable charges for such items and services (not in excess of 20 per centum of the amount customarily charged for such items and services by such provider) for which payment is made under part B or, in the case of outpatient hospital diagnostic services, for which payment is made under part A. In the case of items and services described in section 1833(c), clause (ii) of the preceding sentence shall be applied by substituting for 20 percent the proportion which is appropriate under such section.

“(B) Where a provider of services has furnished, at the request of such individual, items or services which are in excess of or more expensive than the items or services with respect to which payment may be made under this title, such provider of services may also charge such individual or other person for such more expensive items or services to the extent that the amount customarily charged by it for the items or services furnished at such request exceeds the amount customarily charged by it for the items or services with respect to which payment may be made under this title.

“(C) A provider of services may also charge any such individual for any whole blood furnished him with respect to which a deductible is imposed under section 1813(a)(3), except that (i) any excess of such charge over the cost to such provider for the blood shall be deducted from any payment to such provider under this title, (ii) no such charge may be imposed for the cost of administration of such

blood, and (iii) such charge may not be made to the extent such blood has been replaced on behalf of such individual or arrangements have been made for its replacement on his behalf.

Termination of
agreements.

“(b) An agreement with the Secretary under this section may be terminated—

“(1) by the provider of services at such time and upon such notice to the Secretary and the public as may be provided in regulations, except that notice of more than 6 months shall not be required, or

“(2) by the Secretary at such time and upon such reasonable notice to the provider of services and the public as may be specified in regulations, but only after the Secretary has determined (A) that such provider of services is not complying substantially with the provisions of such agreement, or with the provisions of this title and regulations thereunder, or (B) that such provider of services no longer substantially meets the applicable provisions of section 1861, or (C) that such provider of services has failed to provide such information as the Secretary finds necessary to determine whether payments are or were due under this title and the amounts thereof, or has refused to permit such examination of its fiscal and other records by or on behalf of the Secretary as may be necessary to verify such information.

Any termination shall be applicable—

“(3) in the case of inpatient hospital services (including inpatient tuberculosis hospital services and inpatient psychiatric hospital services) or post-hospital extended care services, with respect to such services furnished to any individual who is admitted to the hospital or extended care facility furnishing such services on or after the effective date of such termination,

“(4) (A) with respect to home health services furnished to an individual under a plan therefor established on or after the effective date of such termination, or (B) if a plan is established before such effective date, with respect to such services furnished to such individual after the calendar year in which such termination is effective, and

“(5) with respect to any other items and services furnished on or after the effective date of such termination.

“(c) Where an agreement filed under this title by a provider of services has been terminated by the Secretary, such provider may not file another agreement under this title unless the Secretary finds that the reason for the termination has been removed and that there is reasonable assurance that it will not recur.

“(d) If the Secretary finds that there is a substantial failure to make timely review in accordance with section 1861(k) of long-stay cases in a hospital or extended care facility, he may, in lieu of terminating his agreement with such hospital or facility, decide that, with respect to any individual admitted to such hospital or facility after a subsequent date specified by him, no payment shall be made under this title for inpatient hospital services (including inpatient tuberculosis hospital services and inpatient psychiatric hospital services) after the 20th day of a continuous period of such services or for post-hospital extended care services after such day of a continuous period of such care as is prescribed in or pursuant to regulations, as the case may be. Such decision may be made effective only after such notice to the hospital, or (in the case of an extended care facility) to the facility and the hospital or hospitals with which it has a transfer agreement, and to the public, as may be prescribed by regulations, and its effectiveness

shall terminate when the Secretary finds that the reason therefor has been removed and that there is reasonable assurance that it will not recur. The Secretary shall not make any such decision except after reasonable notice and opportunity for hearing to the institution or agency affected thereby.

“HEALTH INSURANCE BENEFITS ADVISORY COUNCIL

“SEC. 1867. For the purpose of advising the Secretary on matters of general policy in the administration of this title and in the formulation of regulations under this title, there is hereby created a Health Insurance Benefits Advisory Council which shall consist of 16 persons, not otherwise in the employ of the United States, appointed by the Secretary without regard to the civil service laws. The members shall include persons who are outstanding in fields related to hospital, medical, and other health activities, and at least one person who is representative of the general public. A member shall not be eligible to serve continuously for more than 2 terms. The Secretary may, at the request of the Council or otherwise, appoint such special advisory professional or technical committees as may be useful in carrying out this title. Members of the Advisory Council and members of any such advisory or technical committee, while attending meetings or conferences thereof or otherwise serving on business of the Advisory Council or of such committee, shall be entitled to receive compensation at rates fixed by the Secretary, but not exceeding \$100 per day, including travel time, and while so serving away from their homes or regular places of business they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5 of the Administrative Expenses Act of 1946 (5 U.S.C. 73b-2) for persons in the Government service employed intermittently. The Advisory Council shall meet as frequently as the Secretary deems necessary. Upon request of 4 or more members, it shall be the duty of the Secretary to call a meeting of the Advisory Council.

75 Stat. 339,

“NATIONAL MEDICAL REVIEW COMMITTEE

“SEC. 1868. (a) There is hereby created a National Medical Review Committee (hereinafter in this section referred to as the ‘Committee’) which shall consist of nine persons, not otherwise in the employ of the United States, appointed by the Secretary without regard to the civil service laws. The Secretary shall from time to time appoint one of the members to serve as chairman. The members shall be selected from among individuals who are representative of organizations and associations of professional personnel in the field of medicine and other individuals who are outstanding in the field of medicine or in related fields; except that at least one member shall be representative of the general public, and at least a majority of the members shall be physicians. Each member shall hold office for a term of three years, except

that any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term, and except that the terms of office of the members first taking office shall expire, as designated by the Secretary at the time of appointment, three at the end of the first year, three at the end of the second year, and three at the end of the third year after the date of appointment. A member shall not be eligible to serve continuously for more than two terms.

“(b) Members of the Committee, while attending meetings or conferences thereof or otherwise serving on business of the Committee, shall be entitled to receive compensation at rates fixed by the Secretary, but not exceeding \$100 per day, including travel time, and while so serving away from their homes or regular places of business they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5 of the Administrative Expenses Act of 1946 (5 U.S.C. 73b-2) for persons in the Government service employed intermittently.

“(c) It shall be the function of the Committee to study the utilization of hospital and other medical care and services for which payment may be made under this title with a view to recommending any changes which may seem desirable in the way in which such care and services are utilized or in the administration of the programs established by this title, or in the provisions of this title. The Committee shall make an annual report to the Secretary of the results of its study, including any recommendations it may have with respect thereto, and such report shall be transmitted promptly by the Secretary to the Congress.

“(d) The Committee is authorized to engage such technical assistance as may be required to carry out its functions, and the Secretary shall, in addition, make available to the Committee such secretarial, clerical, and other assistance and such pertinent data obtained and prepared by the Department of Health, Education, and Welfare as the Committee may require to carry out its functions.

"PAYMENT TO STATES

"SEC. 1903. (a) From the sums appropriated therefor, the Secretary (except as otherwise provided in this section and section 1117) shall pay to each State which has a plan approved under this title, for each quarter, beginning with the quarter commencing January 1, 1966—

Post, p. 420.

"(1) an amount equal to the Federal medical assistance percentage (as defined in section 1905(b)) of the total amount expended during such quarter as medical assistance under the State plan (including expenditures for premiums under part B of title XVIII, for individuals who are recipients of money payments under a State plan approved under title I, IV, X, XIV, or XVI, and other insurance premiums for medical or any other type of remedial care or the cost thereof); plus

Ante, p. 301.

42 USC 301, 601,
1201, 1351, 1381.

"(2) an amount equal to 75 per centum of so much of the sums expended during such quarter (as found necessary by the Secretary for the proper and efficient administration of the State plan) as are attributable to compensation or training of skilled professional medical personnel, and staff directly supporting such personnel, of the State agency (or of the local agency administering the State plan in the political subdivision); plus

"(3) an amount equal to 50 per centum of the remainder of the amounts expended during such quarter as found necessary by the Secretary for the proper and efficient administration of the State plan.

"(b) Notwithstanding the preceding provisions of this section, the amount determined under such provisions for any State for any quarter which is attributable to expenditures with respect to individuals 65 years of age or older who are patients in institutions for mental diseases shall be paid only to the extent that the State makes a showing satisfactory to the Secretary that total expenditures from Federal, State, and local sources for mental health services (including payments to or in behalf of individuals with mental health problems) under State and local public health and public welfare programs for such quarter exceed the average of the total expenditures from such sources for such services under such programs for each quarter of the fiscal year ending June 30, 1965. For purposes of this subsection, expenditures for such services for each quarter in the fiscal year ending June 30, 1965, in the case of any State shall be determined on the basis of the latest data, satisfactory to the Secretary, available to him at the time of the first determination by him under this subsection for such State; and expenditures for such services for any quarter beginning after December 31, 1965, in the case of any State shall be determined on the basis of the latest data, satisfactory to the Secretary, available to him at the time of the determination under this subsection for such State for such quarter; and determinations so made shall be conclusive for purposes of this subsection.

"(c) (1) If the Secretary finds, on the basis of satisfactory information furnished by a State, that the Federal medical assistance percentage for such State applicable to any quarter in the period beginning January 1, 1966, and ending with the close of June 30, 1969, is less than 105 per centum of the Federal share of medical expenditures by the State during the fiscal year ending June 30, 1965 (as determined under paragraph (2)), then 105 per centum of such Federal share shall be the Federal medical assistance percentage (instead of the percentage determined under section 1905(b)) for such State for

such quarter and each quarter thereafter occurring in such period and prior to the first quarter with respect to which such a finding is not applicable.

“(2) For purposes of paragraph (1), the Federal share of medical expenditures by a State during the fiscal year ending June 30, 1965, means the percentage which the excess of—

42 USC 303, 603,
1203, 1353, 1383.

“(A) the total of the amounts determined under sections 3, 403, 1003, 1403, and 1603 with respect to expenditures by such State during such year as aid or assistance under its State plans approved under titles I, IV, X, XIV, and XVI, over

“(B) the total of the amounts which would have been determined under such sections with respect to such expenditures during such year if expenditures as aid or assistance in the form of medical or any other type of remedial care had not been counted, is of the total expenditures as aid or assistance in the form of medical or any other type of remedial care under such plans during such year.

“(d) (1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsections (a), (b), and (c) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsections, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

“(2) The Secretary shall then pay to the State, in such installments as he may determine, the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

“(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to medical assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

“(4) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

“(e) The Secretary shall not make payments under the preceding provisions of this section to any State unless the State makes a satisfactory showing that it is making efforts in the direction of broadening the scope of the care and services made available under the plan and in the direction of liberalizing the eligibility requirements for medical assistance, with a view toward furnishing by July 1, 1975, comprehensive care and services to substantially all individuals who meet the plan's eligibility standards with respect to income and resources, including services to enable such individuals to attain or retain independence or self-care.

"OPERATION OF STATE PLANS

"SEC. 1904. If the Secretary, after reasonable notice and opportunity for hearing to the State agency administering or supervising the administration of the State plan approved under this title, finds—

"(1) that the plan has been so changed that it no longer complies with the provisions of section 1902; or

"(2) that in the administration of the plan there is a failure to comply substantially with any such provision;

the Secretary shall notify such State agency that further payments will not be made to the State (or, in his discretion, that payments will be limited to categories under or parts of the State plan not affected by such failure), until the Secretary is satisfied that there will no longer be any such failure to comply. REDUCTION OF BENEFITS ON RECEIPT OF WORKMEN'S COMPENSATION

42 USC 401.

70 Stat. 815.
42 USC 423.

SEC. 335. Effective with respect to benefits under title II of the Social Security Act for months after December 1965 based on the wages and self-employment income of an individual who is entitled to benefits under section 223 of such Act and whose period of disability (as defined in such title) began after June 1, 1965, title II of such Act is amended by inserting after section 223 the following new section:

“REDUCTION OF BENEFITS BASED ON DISABILITY ON ACCOUNT OF RECEIPT OF WORKMEN'S COMPENSATION

“SEC. 224. (a) If for any month prior to the month in which an individual attains the age of 62—

“(1) such individual is entitled to benefits under section 223, and

“(2) such individual is entitled for such month, under a workmen's compensation law or plan of the United States or a State, to periodic benefits for a total or partial disability (whether or not permanent), and the Secretary has, in a prior month, received notice of such entitlement for such month,

the total of his benefits under section 223 for such month and of any benefits under section 202 for such month based on his wages and self-employment income shall be reduced (but not below zero) by the amount by which the sum of—

64 Stat. 482.
42 USC 402.

“(3) such total of benefits under sections 223 and 202 for such month, and

“(4) such periodic benefits payable (and actually paid) for such month to such individual under the workmen's compensation law or plan, exceeds the higher of—

“(5) 80 per centum of his ‘average current earnings’, or

“(6) the total of such individual's disability insurance benefits under section 223 for such month and of any monthly insurance benefits under section 202 for such month based on his wages and self-employment income, prior to reduction under this section.

In no case shall the reduction in the total of such benefits under sections 223 and 202 for a month (in a continuous period of months) reduce such total below the sum of—

“(7) the total of the benefits under sections 223 and 202, after reduction under this section, with respect to all persons entitled to benefits on the basis of such individual's wages and self-employment income for such month which were determined for such individual and such persons for the first month for which reduction under this section was made (or which would have been so determined if all of them had been so entitled in such first month), and

“(8) any increase in such benefits with respect to such individual and such persons, before reduction under this section, which is made effective for months after the first month for which reduction under this section is made.

For purposes of clause (5), an individual's average current earnings means the larger of (A) the average monthly wage used for purposes of computing his benefits under section 223, or (B) one-sixtieth of the total of his wages and self-employment income for the five consecutive calendar years after 1950 for which such wages and self-employment income were highest.

“(b) If any periodic benefit under a workmen’s compensation law or plan is payable on other than a monthly basis (excluding a benefit payable as a lump sum except to the extent that it is a commutation of, or a substitute for, periodic payments), the reduction under this section shall be made at such time or times and in such amounts as the Secretary finds will approximate as nearly as practicable the reduction prescribed by subsection (a).

“(c) Reduction of benefits under this section shall be made after any reduction under subsection (a) of section 203, but before deductions under such section and under section 222(b).

Ante, p. 363,
378.
70 Stat. 817.
42 USC 422.

“(d) The reduction of benefits required by this section shall not be made if the workmen’s compensation law or plan under which a periodic benefit is payable provides for the reduction thereof when anyone is entitled to benefits under this title on the basis of the wages and self-employment income of an individual entitled to benefits under section 223.

70 Stat. 815.
42 USC 423.

“(e) If it appears to the Secretary that an individual may be eligible for periodic benefits under a workmen’s compensation law or plan which would give rise to reduction under this section, he may require, as a condition of certification for payment of any benefits under section 223 to any individual for any month and of any benefits under section 202 for such month based on such individual’s wages and self-employment income, that such individual certify (i) whether he has filed or intends to file any claim for such periodic benefits, and (ii) if he has so filed, whether there has been a decision on such claim. The Secretary may, in the absence of evidence to the contrary, rely upon such a certification by such individual that he has not filed and does not intend to file such a claim, or that he has so filed and no final decision thereon has been made, in certifying benefits for payment pursuant to section 205(i).

64 Stat. 482.
42 USC 402.

“(f) (1) In the second calendar year after the year in which reduction under this section in the total of an individual’s benefits under section 223 and any benefits under section 202 based on his wages and self-employment income was first required (in a continuous period of months), and in each third year thereafter, the Secretary shall redetermine the amount of such benefits which are still subject to reduction under this section; but such redetermination shall not result in any decrease in the total amount of benefits payable under this title on the basis of such individual’s wages and self-employment income. Such redetermined benefit shall be determined as of, and shall become effective with, the January following the year in which such redetermination was made.

53 Stat. 1371.
42 USC 405.

“(2) In making the redetermination required by paragraph (1), the individual’s average current earnings (as defined in subsection (a)) shall be deemed to be the product of his average current earnings as initially determined under subsection (a) and the ratio of (i) the average of the taxable wages of all persons for whom taxable wages were reported to the Secretary for the first calendar quarter of the calendar year in which such redetermination is made, to (ii) the average of the taxable wages of such persons reported to the Secretary for the first calendar quarter of the taxable year in which the reduction was first computed (but not counting any reduction made in benefits for a previous period of disability). Any amount determined under the preceding sentence which is not a multiple of \$1 shall be reduced to the next lower multiple of \$1.

“(g) Whenever a reduction in the total of benefits for any month based on an individual’s wages and self-employment income is made under this section, each benefit, except the disability insurance benefit, shall first be proportionately decreased, and any excess of such reduction over the sum of all such benefits other than the disability insurance benefit shall then be applied to such disability insurance benefit.”

The selection of individuals (including the order in which they shall be selected) to receive such services shall be made in accordance with criteria formulated by the Secretary which are based upon the effect the provision of such services would have upon the Trust Funds.

“(A) has been approved under section 5 of the Vocational Rehabilitation Act,

“(B) provides that, to the extent funds provided under this subsection are adequate for the purpose, such services will be furnished, to any individual in the State who meets the criteria prescribed by the Secretary pursuant to paragraph (1), with reasonable promptness and in accordance with the order of selection determined under such criteria, and

“(C) provides that such services will be furnished to any individual without regard to (i) his citizenship or place of residence, (ii) his need for financial assistance except as provided in regulations of the Secretary in the case of maintenance during rehabilitation, or (iii) any order of selection which would otherwise be followed under the State plan pursuant to section 5(a) (4) of the Vocational Rehabilitation Act.
