TITLE II—UNIFORM RELOCATION ASSISTANCE

DECLARATION OF POLICY

SEC. 201. The purpose of this title is to establish a uniform policy for the fair and equitable treatment of persons displaced as a result of Federal and federally assisted programs in order that such persons shall not suffer disproportionate injuries as a result of programs designed for the benefit of the public as a whole.

MOVING AND RELATED EXPENSES

SEC. 202. (a) Whenever the acquisition of real property for a program or project undertaken by a Federal agency in any State will result in the displacement of any person on or after the effective date of this Act, the head of such agency shall make a payment to any displaced person, upon proper application as approved by such agency head, for—

(1) actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;

(2) actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the head of the agency; and

(3) actual reasonable expenses in searching for a replacement business or farm.

(b) Any displaced person eligible for payments under subsection (a) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (a) of this section may receive a moving expense allowance, determined according to a schedule established by the head of the Federal agency, not to exceed \$300; and a dislocation allowance of \$200.

(c) Any displaced person eligible for payments under subsection (a) of this section who is displaced from his place of business or from his farm operation and who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection (a) of this section, may receive a fixed payment in an amount equal to the average annual net earnings of the business or farm operation, except that such payment shall be not less than \$2,500 nor more than \$10,000. In the case of a business no payment shall be made under this subsection unless the head of the Federal agency is satisfied that the business (1) cannot be relocated without a substantial loss of its existing patronage, and (2) is not a part of a commercial enterprise having at least one other establishment not being acquired by the United States, which is engaged in the same or similar business. For purposes of this subsection, the term "average annual net earnings" means one-half of any net earnings of the business or farm operation, before Federal, State, and local income taxes, during the two taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, or during such other period as the head of such agency determines to be more equitable for establishing such earnings, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such period.

"Average annual net earnings,"

REPLACEMENT HOUSING FOR HOMEOWNER

SEC. 203. (a) (1) In addition to payments otherwise authorized by this title, the head of the Federal agency shall make an additional payment not in excess of \$15,000 to any displaced person who is displaced from a dwelling actually owned and occupied by such displaced person for not less than one hundred and eighty days prior to the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:

(A) The amount, if any, which when added to the acquisition cost of the dwelling acquired by the Federal agency, equals the reasonable cost of a comparable replacement dwelling which is a decent, safe, and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment and available on the private market. All determinations required to carry out this subparagraph shall be made in accordance with standards established by the head of the Federal agency making the additional payment.

(B) The amount, if any, which will compensate such displaced person for any increased interest costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired by the Federal agency was encumbered by a bona fide mortgage which was a valid lien on such dwelling for not less than one hundred and eighty days prior to the initiation of negotiations for the acquisition of such dwelling. Such amount shall be equal to the excess in the aggregate interest and other debt service costs of that amount of the principal of the mortgage on the replacement dwelling which is equal to the unpaid balance of the mortgage on the acquired dwelling, over the remainder term of the mortgage on the acquired dwelling, reduced to discounted present value. The discount rate shall be the prevailing interest rate paid on savings deposits by commercial banks in the general area in which the replacement dwelling is located.

(C) Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(2) The additional payment authorized by this subsection shall be made only to such a displaced person who purchases and occupies a replacement dwelling which is decent, safe, and sanitary not later than the end of the one year period beginning on the date on which he receives from the Federal agency final payment of all costs of the acquired dwelling, or on the date on which he moves from the acquired dwelling, whichever is the later date.

(b) The head of any Federal agency may, upon application by a mortgagee, insure any mortgage (including advances during construction) on a comparable replacement dwelling executed by a displaced person assisted under this section, which mortgage is eligible for insurance under any Federal law administered by such agency notwithstanding any requirements under such law relating to age, physical condition, or other personal characteristics of eligible mortgagors, and may make commitments for the insurance of such mortgage prior to the date of execution of the mortgage.

REPLACEMENT HOUSING FOR TENANTS AND CERTAIN OTHERS

SEC. 204. In addition to amounts otherwise authorized by this title, the head of the Federal agency shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under section 203 which dwelling was actually and lawfully occupied by such displaced person for not less than ninety days prior to the initiation of negotiations for acquisition of such dwelling. Such payment shall be either—

(1) the amount necessary to enable such displaced person to lease or rent for a period not to exceed four years, a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, and reasonably accessible to his place of employment, but not to exceed \$4,000, or

(2) the amount necessary to enable such person to make a downpayment (including incidental expenses described in section 203(a)(1)(C)) on the purchase of a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, but not to exceed \$4,000, except that if such amount exceeds \$2,000, such person must equally match any such amount in excess of \$2,000, in making the downpayment.

RELOCATION ASSISTANCE ADVISORY SERVICES

SEC. 205. (a) Whenever the acquisition of real property for a program or project undertaken by a Federal agency in any State will result in the displacement of any person on or after the effective date of this section, the head of such agency shall provide a relocation assistance advisory program for displaced persons which shall offer the services described in subsection (c) of this section. If such agency head determines that any person occupying property immediately adjacent to the real property acquired is caused substantial economic injury because of the acquisition, he may offer such person relocation advisory services under such program.

(b) Federal agencies administering programs which may be of assistance to displaced persons covered by this Act shall cooperate to the maximum extent feasible with the Federal or State agency causing the displacement to assure that such displaced persons receive the maximum assistance available to them.

(c) Each relocation assistance advisory program required by subsection (a) of this section shall include such measures, facilities, or services as may be necessary or appropriate in order to—

(1) determine the need, if any, of displaced persons, for relocation assistance;

(2) provide current and continuing information on the availability, prices, and rentals, of comparable decent, safe, and sanitary sales and rental housing, and of comparable commercial properties and locations for displaced businesses;

(3) assure that, within a reasonable period of time, prior to displacement there will be available in areas not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial means of the families and individuals displaced, decent, safe, and sanitary dwellings, as defined by such Federal agency head, equal in number to the number of and available to such displaced persons who require such dwellings and reasonably accessible to their places of employment, except that the head of that Federal agency may prescribe by regulation situations when such assurances may be waived;

(4) assist a displaced person displaced from his business or farm operation in obtaining and becoming established in a suitable replacement location;

(5) supply information concerning Federal and State housing programs, disaster loan programs, and other Federal or State programs offering assistance to displaced persons; and

(6) provide other advisory services to displaced persons in order to minimize hardships to such persons in adjusting to relocation.

(d) The heads of Federal agencies shall coordinate relocation activities with project work, and other planned or proposed governmental actions in the community or nearby areas which may affect the carrying out of relocation assistance programs.

HOUSING REPLACEMENT BY FEDERAL AGENCY AS LAST RESORT

SEC. 206. (a) If a Federal project cannot proceed to actual construction because comparable replacement sale or rental housing is not available, and the head of the Federal agency determines that such housing cannot otherwise be made available he may take such action as is necessary or appropriate to provide such housing by use of funds authorized for such project.

(b) No person shall be required to move from his dwelling on or after the effective date of this title, on account of any Federal project, unless the Federal agency head is satisfied that replacement housing, in accordance with section 205(c) (3), is available to such person.

STATE REQUIRED TO FURNISH REAL PROPERTY INCIDENT TO FEDERAL ASSISTANCE (LOCAL COOPERATION)

SEC. 207. Whenever real property is acquired by a State agency and furnished as a required contribution incident to a Federal program or project, the Federal agency having authority over the pro-

gram or project may not accept such property unless such State agency has made all payments and provided all assistance and assurances, as are required of a State agency by sections 210 and 305 of this Act. Such State agency shall pay the cost of such requirements in the same manner and to the same extent as the real property acquired for such project, except that in the case of any real property acquisition or displacement occurring prior to July 1, 1972, such Federal agency shall pay 100 per centum of the first \$25,000 of the cost of providing such payments and assistance.

STATE ACTING AS AGENT FOR FEDERAL PROGRAM

SEC. 208. Whenever real property is acquired by a State agency at the request of a Federal agency for a Federal program or project, such acquisition shall, for the purposes of this Act, be deemed an acquisition by the Federal agency having authority over such program or project.

PUBLIC WORKS PROGRAMS AND PROJECTS OF THE GOVERNMENT OF THE DISTRICT OF COLUMBIA AND OF THE WASHINGTON METROPOLITAN AREA TRANSIT AUTHORITY

SEC. 209. Whenever real property is acquired by the government of the District of Columbia or the Washington Metropolitan Area Transit Authority for a program or project which is not subject to sections 210 and 211 of this title, and such acquisition will result in the displacement of any person on or after the effective date of this Act, the Commissioner of the District of Columbia or the Washington Metropolitan Area Transit Authority, as the case may be, shall make all relocation payments and provide all assistance required of a Federal agency by this Act. Whenever real property is acquired for such a program or project on or after such effective date, such Commissioner or Authority, as the case may be, shall make all payments and meet all requirements prescribed for a Federal agency by title III of this Act.

REQUIREMENTS FOR RELOCATION PAYMENTS AND ASSISTANCE OF FEDERALLY ASSISTED PROGRAM; ASSURANCES OF AVAILABILITY OF HOUSING

SEC. 210. Notwithstanding any other law, the head of a Federal agency shall not approve any grant to, or contract or agreement with, a State agency, under which Federal financial assistance will be available to pay all or part of the cost of any program or project which will result in the displacement of any person on or after the effective date of this title, unless he receives satisfactory assurances from such State agency that—

(1) fair and reasonable relocation payments and assistance shall be provided to or for displaced persons, as are required to be provided by a Federal agency under sections 202, 203, and 204 of this title;

(2) relocation assistance programs offering the services described in section 205 shall be provided to such displaced persons;

(3) within a reasonable period of time prior to displacement, decent, safe, and sanitary replacement dwellings will be available to displaced persons in accordance with section 205(c)(3).

FEDERAL SHARE OF COSTS

SEC. 211. (a) The cost to a State agency of providing payments and assistance pursuant to sections 206, 210, 215, and 305, shall be included as part of the cost of a program or project for which Federal financial assistance is available to such State agency, and such State agency shall be eligible for Federal financial assistance with respect to such payments and assistance in the same manner and to the same extent as other program or project costs, except that, notwithstanding any other law in the case where the Federal financial assistance is by grant or contribution the Federal agency shall pay the full amount of the first \$25,000 of the cost to a State agency of providing payments and assistance for a displaced person under sections 206, 210, 215, and 305, on account of any acquisition or displacement occurring prior to July 1, 1972, and in any case where such Federal financial assistance is by loan, the Federal agency shall loan such State agency the full amount of the first \$25,000 of such cost.

(b) No payment or assistance under section 210 or 305 shall be required or included as a program or project cost under this section, if the displaced person receives a payment required by the State law of eminent domain which is determined by such Federal agency head to have substantially the same purpose and effect as such payment under this section, and to be part of the cost of the program or project for which Federal financial assistance is available.

(c) Any grant to, or contract or agreement with, a State agency executed before the effective date of this title, under which Federal financial assistance is available to pay all or part of the cost of any program or project which will result in the displacement of any person on or after the effective date of this Act, shall be amended to include the cost of providing payments and services under sections 210 and 305. If the head of a Federal agency determines that it is necessary for the expeditious completion of a program or project he may advance to the State agency the Federal share of the cost of any payments or assistance by such State agency pursuant to sections 206, 210, 215, and 305.

ADMINISTRATION—RELOCATION ASSISTANCE IN PROGRAMS RECEIVING
FEDERAL FINANCIAL ASSISTANCE

SEC. 212. In order to prevent unnecessary expenses and duplications of functions, and to promote uniform and effective administration of relocation assistance programs for displaced persons under sections 206, 210, and 215 of this title, a State agency may enter into contracts with any individual, firm, association, or corporation for services in connection with such programs, or may carry out its functions under this title through any Federal or State governmental agency or instrumentality having an established organization for conducting relocation assistance programs. Such State agency shall, in carrying out the relocation assistance activities described in section 206, whenever practicable, utilize the services of State or local housing agencies, or other agencies having experience in the administration or conduct of similar housing assistance activities.

REGULATIONS AND PROCEDURES

SEC. 213. (a) In order to promote uniform and effective administration of relocation assistance and land acquisition of State or local housing agencies, or other agencies having programs or projects by

Federal agencies or programs or projects by State agencies receiving Federal financial assistance, the heads of Federal agencies shall consult together on the establishment of regulations and procedures for the implementation of such programs.

(b) The head of each Federal agency is authorized to establish such regulations and procedures as he may determine to be necessary to assure—

(1) that the payments and assistance authorized by this Act shall be administered in a manner which is fair and reasonable, and as uniform as practicable;

(2) that a displaced person who makes proper application for a payment authorized for such person by this title shall be paid promptly after a move or, in hardship cases, be paid in advance; and

(3) that any person aggrieved by a determination as to eligibility for a payment authorized by this Act, or the amount of a payment, may have his application reviewed by the head of the Federal agency having authority over the applicable program or project, or in the case of a program or project receiving Federal financial assistance, by the head of the State agency.

(c) The head of each Federal agency may prescribe such other regulations and procedures, consistent with the provisions of this Act, as he deems necessary or appropriate to carry out this Act.

ANNUAL REPORT

SEC. 214. The head of each Federal agency shall prepare and submit an annual report to the President on the activities of such agency with respect to the programs and policies established or authorized by this Act, and the President shall submit such reports to the Congress not later than January 15 of each year, beginning January 15, 1972, and ending January 15, 1975, together with his comments or recommendations. Such reports shall give special attention to:

Report to Congress.

(1) the effectiveness of the provisions of this Act assuring the availability of comparable replacement housing, which is decent, safe, and sanitary, for displaced homeowners and tenants; (2) actions taken by the agency to achieve the objectives of the policies of Congress, declared in this Act, to provide uniform and equal treatment, to the greatest extent practicable, for all persons displaced by, or having real property taken for, Federal or federally assisted programs; (3) the views of the Federal agency head on the progress made to achieve such objectives in the various programs conducted or administered by such agency, and among the Federal agencies; (4) any indicated effects of such programs and policies on the public; and (5) any recommendations he may have for further improvements in relocation assistance and land acquisition programs, policies, and implementing laws and regulations.

PLANNING AND OTHER PRELIMINARY EXPENSES FOR ADDITIONAL HOUSING

SEC. 215. In order to encourage and facilitate the construction or rehabilitation of housing to meet the needs of displaced persons who are displaced from dwellings because of any Federal or Federal financially assisted project, the head of the Federal agency administering such project is authorized to make loans as a part of the cost of any such project, or to approve loans as a part of the cost of any such project receiving Federal financial assistance, to nonprofit, limited

dividend, or cooperative organizations or to public bodies, for necessary and reasonable expenses, prior to construction, for planning and obtaining federally insured mortgage financing for the rehabilitation or construction of housing for such displaced persons. Notwithstanding the preceding sentence, or any other law, such loans shall be available for not to exceed 80 per centum of the reasonable costs expected to be incurred in planning, and in obtaining financing for, such housing, prior to the availability of such financing, including, but not limited to, preliminary surveys and analyses of market needs, preliminary site engineering, preliminary architectural fees, site acquisition, application and mortgage commitment fees, and construction loan fees and discounts. Loans to an organization established for profit shall bear interest at a market rate established by the head of such Federal agency. All other loans shall be without interest. Such Federal agency head shall require repayment of loans made under this section, under such terms and conditions as he may require, upon completion of the project or sooner, and except in the case of a loan to an organization established for profit, may cancel any part or all of a loan if he determines that a permanent loan to finance the rehabilitation or the construction of such housing cannot be obtained in an amount adequate for repayment of such loan. Upon repayment of any such loan, the Federal share of the sum repaid shall be credited to the account from which such loan was made, unless the Secretary of the Treasury determines that such account is no longer in existence, in which case such sum shall be returned to the Treasury and credited to miscellaneous receipts.

PAYMENTS NOT TO BE CONSIDERED AS INCOME

SEC. 216. No payment received under this title shall be considered as income for the purposes of the Internal Revenue Code of 1954; or for the purposes of determining the eligibility or the extent of eligibility of any person for assistance under the Social Security Act or any other Federal law.

TITLE III—UNIFORM REAL PROPERTY ACQUISITION POLICY

UNIFORM POLICY ON REAL PROPERTY ACQUISITION PRACTICES

SEC. 301. In order to encourage and expedite the acquisition of real property by agreements with owners, to avoid litigation and relieve congestion in the courts, to assure consistent treatment for owners in the many Federal programs, and to promote public confidence in Federal land acquisition practices, heads of Federal agencies shall, to the greatest extent practicable, be guided by the following policies:

(1) The head of a Federal agency shall make every reasonable effort to acquire expeditiously real property by negotiation.

(2) Real property shall be appraised before the initiation of negotiations, and the owner or his designated representative shall be given an opportunity to accompany the appraiser during his inspection of the property.

(3) Before the initiation of negotiations for real property, the head of the Federal agency concerned shall establish an amount which he believes to be just compensation therefor and shall make a prompt offer to acquire the property for the full amount so established. In no event shall such amount be less than the agency's approved appraisal of the fair market value of such property. Any decrease or increase in the fair market value of real property prior to the date of valuation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, will be disregarded in determining the compensation for the property. The head of the Federal agency concerned shall provide the owner of real property to be acquired with a written statement of, and summary of the basis for, the amount he established as just compensation. Where appropriate the just compensation for the real property acquired and for damages to remaining real property shall be separately stated.

(4) No owner shall be required to surrender possession of real property before the head of the Federal agency concerned pays the agreed purchase price, or deposits with the court in accordance with section 1 of the Act of February 26, 1931 (46 Stat. 1421; 40 U.S.C. 258a), for the benefit of the owner, an amount not less than the agency's approved appraisal of the fair market value of such property, or the amount of the award of compensation in the condemnation proceeding for such property.

(5) The construction or development of a public improvement shall be so scheduled that, to the greatest extent practicable, no person lawfully occupying real property shall be required to move from a dwelling (assuming a replacement dwelling as required by title II will be available), or to move his business or farm operation, without at least ninety days' written notice from the head of the Federal agency concerned, of the date by which such move is required.

(6) If the head of a Federal agency permits an owner or tenant to occupy the real property acquired on a rental basis for a short term or for a period subject to termination by the Government on short notice, the amount of rent required shall not exceed the fair rental value of the property to a short-term occupier.

(7) In no event shall the head of a Federal agency either advance the time of condemnation, or defer negotiations or condemnation and the deposit of funds in court for the use of the owner, or take any other action coercive in nature, in order to compel an agreement on the price to be paid for the property.

(8) If any interest in real property is to be acquired by exercise of the power of eminent domain, the head of the Federal agency concerned shall institute formal condemnation proceedings. No Federal agency head shall intentionally make it necessary for an owner to institute legal proceedings to prove the fact of the taking of his real property.

(9) If the acquisition of only part of a property would leave its owner with an uneconomic remnant, the head of the Federal agency concerned shall offer to acquire the entire property.

BUILDINGS, STRUCTURES, AND IMPROVEMENTS

SEC. 302. (a) Notwithstanding any other provision of law, if the head of a Federal agency acquires any interest in real property in any State, he shall acquire at least an equal interest in all buildings, structures, or other improvements located upon the real property so acquired and which he requires to be removed from such real property or which he determines will be adversely affected by the use to which such real property will be put.

(b) (1) For the purpose of determining the just compensation to be paid for any building, structure, or other improvement required to be acquired by subsection (a) of this section, such building, structure, or other improvement shall be deemed to be a part of the real property to be acquired notwithstanding the right or obligation of a tenant, as against the owner of any other interest in the real property, to remove such building, structure, or improvement at the expiration of his term, and the fair market value which such building, structure, or improvement contributes to the fair market value of the real property to be acquired, or the fair market value of such building, structure, or improvement for removal from the real property, whichever is the greater, shall be paid to the tenant therefor.

(2) Payment under this subsection shall not result in duplication of any payments otherwise authorized by law. No such payment shall be made unless the owner of the land involved disclaims all interest in the improvements of the tenant. In consideration for any such payment, the tenant shall assign, transfer, and release to the United States all his right, title, and interest in and to such improvements. Nothing in this subsection shall be construed to deprive the tenant of any rights to reject payment under this subsection and to obtain payment for such property interests in accordance with applicable law, other than this subsection.

EXPENSES INCIDENTAL TO TRANSFER OF TITLE TO UNITED STATES

SEC. 303. The head of a Federal agency, as soon as practicable after the date of payment of the purchase price or the date of deposit in court of funds to satisfy the award of compensation in a condemnation proceeding to acquire real property, whichever is the earlier, shall reimburse the owner, to the extent the head of such agency deems fair and reasonable, for expenses he necessarily incurred for—

SEC. 304. (a) The Federal court having jurisdiction of a proceeding instituted by a Federal agency to acquire real property by condemnation shall award the owner of any right, or title to, or interest in, such real property such sum as will in the opinion of the court reimburse such owner for his reasonable costs, disbursements, and expenses, including reasonable attorney, appraisal, and engineering fees, actually incurred because of the condemnation proceedings, if—

(1) the final judgment is that the Federal agency cannot acquire the real property by condemnation; or

(2) the proceeding is abandoned by the United States.

(b) Any award made pursuant to subsection (a) of this section shall be paid by the head of the Federal agency for whose benefit the condemnation proceedings was instituted.

(c) The court rendering a judgment for the plaintiff in a proceeding brought under section 1346(a)(2) or 1491 of title 28, United States Code, awarding compensation for the taking of property by a Federal agency, or the Attorney General effecting a settlement of any such proceeding, shall determine and award or allow to such plaintiff, as a part of such judgment or settlement, such sum as will in the opinion of the court or the Attorney General reimburse such plaintiff for his reasonable costs, disbursements, and expenses, including reasonable attorney, appraisal, and engineering fees, actually incurred because of such proceeding.
