"(b) (1) If a recipient fails to make his regular rental payment for a period of ten days after the date such payment was due then the lessor of such recipient may send written notice of such failure to the Commissioner. Upon receipt of such notice the Commissioner, after appropriate notice to all interested parties and an opportunity for a hearing, may deduct from the monthly public assistance grant for such recipient for the next month following the notice to the Commissioner an amount equal to the monthly shelter allotment for such recipient. Such deducted amount shall be disposed of by the Commissioner according to the following provisions of this subsection.

"(2) If it is determined that there is no legal basis for the recipient's failure to make such regular rental payment then the amount deducted and held by the Commissioner shall be paid to the lessor legally entitled to receive such payment. The Commissioner shall continue to deduct such amount from such grant for each month thereafter for so long as such recipient receives such grant, and to pay such amount directly to the lessor of such recipient.

"(3) If it is determined that there is a legal basis for the recipient's failure to make such regular rental payment then the Commissioner shall pay to the lessor legally entitled to receive such payment such part of the amount deducted and held by him as is determined to be owed to the lessor. The Commissioner shall restore to the monthly public assistance grant for such recipient such shelter allotment for each month thereafter for so long as the recipient receives such grant and makes his regular rental payments.

"(c) (1) If any lessor, receiving payments from the Commissioner under subsection (b) fails to maintain the premises of the recipient according to all applicable laws and regulations of the District of Columbia, then the recipient may send written notice alleging such failure to the Commissioner. Upon receipt of such notice the Commissioner, after appropriate notice to all interested parties and an opportunity for a hearing, may suspend such payments for such recipient for each month thereafter, and shall hold and dispose of such amount according to the following provisions of this subsection.

"(2) If it is determined that there is no basis for such allegation

by the recipient the Commissioner shall pay such amount to such lessor and continue to make such payments for such recipient.

“(3) If it is determined that there is a basis for such allegation by the recipient the Commissioner shall pay to the lessor such part of the amount suspended as is determined to be owed to him. The Commissioner shall restore to the monthly public assistance grant for such recipient the monthly shelter allotment for each month thereafter for so long as the recipient receives such grant and makes his regular rental payments. If such recipient vacates the premises with respect to which such allegation was made, rents other premises in the District of Columbia, and the Commissioner determines on the basis of such allegation that such recipient was justified in vacating the premises with respect to which the allegation was made, the Commissioner may pay to the recipient an amount (not to exceed his monthly shelter allotment) to enable him to make the rental payment required (if any) for such other premises for the period preceding the period for which the recipient will first receive his monthly shelter allotment under the preceding sentence.

“(d) The failure of any lessor to receive all or part of a monthly shelter allotment withheld from any recipient pursuant to subsection (b), or the suspension of rental payments under subsection (c), of this section shall not be cause for eviction of any recipient.

“(e) For the purpose of any regulations of the Secretary of Health, Education, and Welfare, or of any other requirement of law, the total amount of assistance given to a recipient shall include that amount suspended and held, or paid by the Commissioner as authorized under subsections (b) and (c). Nothing in this section shall operate to deny to the District of Columbia any funds from any program of the Federal Government relating to public assistance which are paid to the District of Columbia on the basis of the funds appropriated directly to the District for programs administered under this Act.

"(c) The Commissioner may by regulation prescribe additional uses and requirements with respect to the issuance and use of the public assistance identification card as he deems necessary.
