“(C) Payment of any bill rendered under subparagraph (A) or subparagraph (B) shall be made not later than thirty days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, unless there has been an application for review and redetermination in accordance with subparagraph (E).

“(D) Payments made by a nonprofit organization under the provisions of this subsection shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization.

“(E) The amount due specified in any bill from the Board shall be conclusive on the organization unless, not later than fifteen days after the bill was mailed to its last known address or otherwise delivered to it, the organization files an application for redetermination by the Board, setting forth the grounds for such application or appeal. The Board shall promptly review and reconsider the amount due specified in the bill and shall thereafter issue a redetermination in any case in which such application for redetermination has been filed. Any such redetermination shall be conclusive on the organization unless the organization files an appeal as set forth in section 3(c)(10), setting forth the grounds for the appeal.

“(3) In the discretion of the Director, any nonprofit organization that elects to become liable for payments in lieu of contributions shall be required within thirty days after the effective date of its election, to execute and file with the Board a surety bond approved by the Director, or it may elect instead to deposit with the Board money. The amount of such bond or deposit shall be determined in accordance with the provisions of this paragraph.

“(A) The amount of the bond or deposit required by this paragraph shall be equal to one-fourth of 1 per centum of the organization's total wages paid for employment as defined in section 1(b)(1)(C) for the

four calendar quarters immediately preceding the effective date of the election, the renewal date in the case of a bond, or the biennial anniversary of the effective date of election in the case of a deposit of money, whichever date shall be most recent and applicable. If the nonprofit organization did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the Director.

“(B) Any bond deposited under this paragraph shall be in force for a period of not less than two taxable years and shall be renewed with the approval of the Director at such times as the Director may prescribe, but not less frequently than at two-year intervals as long as the organization continues to be liable for payments in lieu of contributions. The Director shall require adjustments to be made in a previously filed bond as he deems appropriate. If the bond is to be increased, the adjusted bond shall be filed by the organization within fifteen days of the date notice of the required adjustment was mailed or otherwise delivered to it. Failure by any organization covered by such bond to pay the full amount of payments in lieu of contributions when due, together with any applicable interest and penalties provided for in section 4(c) of this Act, shall render the surety liable on said bond to the extent of the bond, as though the surety was such organization.

“(C) Any deposit of money in accordance with this paragraph shall be retained by the Board in an escrow account until liability under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The Director may deduct from the money deposited under this paragraph by a nonprofit organization to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in section 4(c). The Director shall require the organization within fifteen days following any deduction from a money deposit under the provisions of this subparagraph to deposit sufficient additional money to make whole the organization's deposit at the prior level. The Director may, at anytime, review the adequacy of the deposit made by any organization. If, as the result of such review, he determines that an adjustment is necessary, he shall require the organization to make additional deposit within fifteen days of written notice of his determination or shall return to it such portion of the deposit as he no longer considers necessary, whichever action is appropriate.

“(D) If any nonprofit organization fails to file a bond or make a deposit, or to file a bond in an increased amount or to increase or make whole the amount of a previously made deposit, as provided under this paragraph, the Director may terminate such organization's election to make payments in lieu of contributions and such termination shall continue for not less than the four-consecutive-calendar-quarter period beginning with the quarter in which such termination becomes effective: *Provided*, That the Director may extend for good cause the applicable filing, deposit or adjustment period by not more than fifteen days.

“(4) If any nonprofit organization is delinquent in making payments in lieu of contributions as required under paragraph (2) of this subsection, the Board may terminate such organization's election to make payments in lieu of contributions as of the beginning of the next taxable year, and such termination shall be effective for that and the next taxable year.

“(A) If benefits paid to an individual are based on wages paid by one or more employers that are liable for payments in lieu of contributions and on wages paid by one or more employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period wages paid to the individual by such employer bear to the total base-period wages paid to the individual by all of his base-period employers.

Each such application shall identify and authorize a group representative to act as the group’s agent for the purposes of this paragraph. Upon approval of the application, the Board shall establish a group account for such employers effective as of the beginning of the calendar quarter in which it receives the application and shall notify the group’s representative of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the Board or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The Board shall prescribe such regulations as it deems necessary with respect to applications for establishment, maintenance, and termination of group accounts that are authorized by this paragraph, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts that are payable under this paragraph by members of the group and the time and manner of such payments.

(37) Section 7 of such Act (D.C. Code, sec. 46-307) is amended by adding the following new subsection:

"(g) EXTENDED BENEFITS PROGRAM.—Notwithstanding any other provisions of this section, this subsection provides a program of extended benefits on and after January 1, 1972.

"(1) DEFINITIONS.—As used in this subsection, unless the context clearly requires otherwise—

"(A) 'Extended benefit period' means a period which—

"(i) begins with the third week after whichever of the following weeks occurs first: (I) a week for which there is a

national 'on' indicator, or (II) a week for which there is a State 'on' indicator; and

"(ii) ends with either of the following weeks, whichever occurs later: (I) the third week after the first week for which there is both a national 'off' indicator and a State 'off' indicator; or (II) the thirteenth consecutive week of such period: *Provided*, That no extended benefit period may begin by reason of a State 'on' indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to the District.

"(B) There is a national 'on' indicator for a week if the Secretary of Labor determines that for each of the three most recent completed calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all States equaled or exceeded 4.5 per centum.

"(C) There is a national 'off' indicator for a week if the Secretary of Labor determines that for each of the three most recent completed calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all States was less than 4.5 per centum.

"(D) There is a State 'on' indicator for the District for a week if the Board determines, in accordance with regulations of the Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) under this Act—

"(i) equaled or exceeded 120 per centum of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years, and

"(ii) equaled or exceeded 4 per centum.

"(E) There is a State 'off' indicator for the District for a week if the Board determines in accordance with regulations of the Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) under this Act—

"(i) was less than 120 per centum of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years, or

"(ii) was less than 4 per centum.

"(F) 'Rate of insured unemployment', for purposes of subparagraphs (D) and (E) of this subsection, means the percentage derived by dividing (i) the average weekly number of individuals filing claims in the District for weeks of unemployment with respect to the most recent thirteen-consecutive-week period, as determined by the Board on the basis of its reports to the Secretary of Labor, by (ii) the average monthly employment covered under this Act for the first four of the most recent six completed calendar quarters ending before the end of such thirteen-week period.

"(G) 'Regular benefits' means benefits payable to an individual under this Act or under any State law (including benefits payable to Federal civilian employees and to ex-servicemen pursuant to chapter 85 of title 5, United States Code) other than extended benefits.

"(H) 'Extended benefits' means benefits (including benefits payable to Federal civilian employees and to ex-servicemen pursuant to chapter 85 of title 5, United States Code) payable to an individual under the provisions of this subsection for weeks of unemployment in his eligibility period.

"(I) 'Eligibility period' of an individual means the period consisting of the weeks in his benefit year which begin in an extended

benefit period and, if his benefit year ends within such extended benefit period, any weeks thereafter which begins in such period.

“(J) ‘Exhaustee’ means an individual who, with respect to any week of unemployment in his eligibility period:

“(i) has received, prior to such week, all of the regular benefits that were available to him under this Act or any State law (including dependents’ allowances and benefits payable to Federal civilian employees and ex-servicemen under chapter 85 of title 5, United States Code) in his current benefit year that includes such week: *Provided*, That, for the purposes of this subparagraph, an individual shall be deemed to have received all of the regular benefits that were available to him although as a result of a pending appeal with respect to wages that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or

“(ii) his benefit year having expired prior to such week, has no, or insufficient, wages on the basis of which he could establish a new benefit year that would include such week; and

“(iii) (I) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965, and such other Federal laws as are specified in regulations issued by the Secretary of Labor; and (II) has not received and is not seeking unemployment benefits under the unemployment compensation law of the Virgin Islands or of Canada; but if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law he is considered an exhaustee.

“(K) ‘State law’ means the unemployment insurance law of any State, approved by the Secretary of Labor under section 3304 of the Internal Revenue Code of 1954.

“(2) Except when the result would be inconsistent with the other provisions of this subsection, as provided in the regulations of the Board, the provisions of this Act which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

“(3) An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the Board finds that with respect to such week:

“(A) he is an ‘exhaustee’ as defined in paragraph (1) (J) of this subsection, and

“(B) he has satisfied the requirements of this Act for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits.

“(4) The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall be an amount equal to the weekly basic or augmented benefit amount, whichever is appropriate, payable to him during his applicable benefit year.

“(5) The total extended benefit amount payable to any eligible individual with respect to his applicable year shall be the least of the following amounts:

“(A) 50 percent of the total amount of regular benefits (including dependents’ allowances) which were payable to him under this Act in his applicable benefit year;

“(B) thirteen times his weekly benefit amount (including dependents’ allowances) which was payable to him under this Act

“(D) For purposes of this paragraph, the total regular benefit amount shall be that amount (including dependents’ allowances) provided in the individual’s monetary determination or the amount of regular benefits (including dependents’ allowances) actually received, whichever is the greater.

“(6) (A) Whenever an extended benefit period is to become effective in the District (or in all States) as a result of a State or a National ‘on’ indicator, or an extended benefit period is to be terminated in the District as a result of State and National ‘off’ indicators, the Director shall make an appropriate public announcement as provided in the regulations of the Board.

Reciprocal arrangements.  
57 Stat. 121.

"(a) The Board is hereby authorized to enter into reciprocal arrangements with appropriate and duly authorized agencies of other States or of the Federal Government, or both, whereby services performed by an individual for a single employing unit for which services are customarily performed by such individual in more than one State shall be deemed to be services performed entirely within any one of the States (1) in which any part of such individual's service is performed or (2) in which such individual has his residence or (3) in which the employing unit maintains a place of business, provided there is in effect, as to such services, an election, approved by the agency charged with the administration of such State's unemployment-compensation law, pursuant to which all the services performed by such individual for such employing unit are deemed to be performed entirely within such State.

"(b) The Board is hereby authorized to enter into reciprocal arrangements with appropriate and duly authorized agencies of other States or of the Federal Government, or both, whereby potential rights to benefits accumulated under the unemployment-compensation laws of one or more States or under one or more such laws of the Federal Government, or both, may constitute the basis for the payment of benefits through a single appropriate agency under terms which the Board finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund.

"(c) The Board shall participate in any arrangements for the payment of compensation on the basis of combining an individual's wages and employment covered under this Act with his wages and employment covered under the unemployment-compensation laws of other States which are approved by the Secretary of Labor in consultation with the State unemployment-compensation agencies as reasonably calculated to assure the prompt and full payment of compensation in such situations and which include provisions for (1) applying the base period of a single State law to a claim involving the combining of an individual's wages and employment covered under two or more State unemployment-compensation laws, and (2) avoiding the duplicate use of wages and employment by reason of such combining.

“(d) The Board is hereby authorized to enter into reciprocal arrangements with appropriate and duly authorized agencies of other States or of the Federal Government, or both, whereby contributions due under this Act with respect to wages for employment shall for the purposes of section 4 of this Act be deemed to have been paid to the fund as of the date payment was made as contributions therefor under another State or Federal unemployment-compensation law, but no such arrangement shall be entered into unless it contains provisions for such reimbursement to the fund of such contributions and the actual earnings thereon as the Board finds will be fair and reasonable as to all affected interests.

Reimbursements.

“(e) Reimbursements paid from the fund pursuant to subsection (c) of this section shall be deemed to be benefits for the purpose of sections 6, 7, and 8 of this Act. The Board is authorized to make to other State or Federal agencies and to receive from such other State or Federal agencies reimbursements from or to the fund, in accordance with arrangements entered into pursuant to this section.

The Board is therefore authorized to make such investigations, secure and transmit such information, make available such services and facilities, and exercise such of the other powers provided herein with respect to the administration of this Act as it deems necessary or appropriate to facilitate the administration of any such unemployment-compensation or public-employment-service law, and in like manner to accept and utilize information, services, and facilities made available to the District by the agency charged with the administration of any such other unemployment-compensation or public-employment-service law.
